

AR-15/M16 MK 8 SUPER MODULAR RAILS, M-LOK - GEISSELE AUTOMATICS 13.5" SUPER MODULAR RAIL HANDGUARD M-LOK BLACK

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

Lightweight, Free-Floating Modular Handguard

Ergonomic, lightweight modular rail system offers plenty of M-LOK attachment points along the entire length. Single piece assembly is machined from a semi-billet extrusion of aircraft grade aluminum for enhanced strength and performance to weight ratio. Free floating handguard attaches via long barrel nut machined from aircraft grade aluminum with a hardcoat anodized surface. Handguard fits tightly on the barrel nut and clamps securely by two cross bolt. M-LOK technology allows shooter to place accessory rails anywhere along the length of the rail in 45° intervals. Handguard has two standard, non-rotating QD slots on either side. Please note that a gas block is no longer included with these handguards.

Safety Instruction Guide for AR15/M16 MK 8 Super Modular Rails, MLOK

Introduction

Thank you for choosing the AR15/M16 MK 8 Super Modular Rails, MLOK by Geissele Automatics. This product is designed to enhance your shooting experience with its ergonomic and lightweight design. However, it is crucial to follow these safety instructions to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always ensure that the product is used in accordance with the manufacturer's instructions.
- Inspect the handguard and all components for any damage before installation and use.
- Avoid using the product in conditions that may compromise safety, such as extreme weather or poor visibility.
- Store the product in a safe and secure manner when not in use.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before attaching or detaching the handguard.
- Do not exceed the recommended weight limit for accessories attached to the MLOK slots.
- Be cautious when using tools during installation to prevent injury.
- Avoid placing your hands or other body parts in front of the muzzle at all times.
- Ensure that all accessories are securely attached to prevent them from falling off during use.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools for installation, including a torque wrench and appropriate screwdrivers.
- Ensure the firearm is unloaded and pointed in a safe direction.

2. Installation Steps

- Remove the existing handguard from the firearm.
- Install the long barrel nut onto the barrel, ensuring it is properly aligned.
- Attach the handguard to the barrel nut, ensuring it fits tightly.
- Secure the handguard using the two cross bolts, tightening them evenly to ensure stability.
- Check that the handguard is securely attached before proceeding.

3. Usage Instructions

- Attach accessories to the MLOK slots at 45° intervals as needed.
- Use the standard QD slots for sling attachment, ensuring they are properly secured.
- Regularly inspect the handguard and attachments during use for any signs of wear or damage.

Disposal Instructions

- Follow local regulations for the disposal of aluminum materials.
- Do not dispose of the product in regular household waste.
- Consider recycling the product at a designated facility to minimize environmental impact.

Contact Information for Further Support

For any inquiries or support regarding the AR15/M16 MK 8 Super Modular Rails, MLOK, please reach out to your local retailer or the manufacturer directly. Ensure you have your product details available for assistance.

By adhering to these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your AR15/M16 MK 8 Super Modular Rails, MLOK. Thank you for your attention to safety.
