

AR-15/M16 MK 8 SUPER MODULAR RAILS, M-LOK - GEISSELE AUTOMATICS 15" SUPER MODULAR RAIL MK-8 M-LOK

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

Lightweight, Free-Floating Modular Handguard

Ergonomic, lightweight modular rail system offers plenty of M-LOK attachment points along the entire length. Single piece assembly is machined from a semi-billet extrusion of aircraft grade aluminum for enhanced strength and performance to weight ratio. Free floating handguard attaches via long barrel nut machined from aircraft grade aluminum with a hardcoat anodized surface. Handguard fits tightly on the barrel nut and clamps securely by two cross bolt. M-LOK technology allows shooter to place accessory rails anywhere along the length of the rail in 45° intervals. Handguard has two standard, non-rotating QD slots on either side. Please note that a gas block is no longer included with these handguards.

Attributes

- Name: [GEISSELE AUTOMATICS 15" SUPER MODULAR RAIL MK-8 M-LOK](#)

Safety Instruction Guide for AR15/M16 MK 8 Super Modular Rails, MLOK

Introduction

Thank you for choosing the AR15/M16 MK 8 Super Modular Rails, MLOK by Geissele Automatics. This product is designed for enhanced performance and user convenience. To ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR), please read this safety instruction guide carefully before installation and use.

General Safety Guidelines

- Always handle the product with care and follow all safety instructions.
- Ensure that the product is used only for its intended purpose as specified by the manufacturer.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- In case of any malfunction or defect, cease use immediately and seek assistance.

Specific Safety Precautions for Use

- When installing or adjusting the rail system, ensure that the firearm is unloaded and pointed in a safe direction.
- Use protective eyewear when handling or installing the rail to protect against potential debris.
- Avoid placing excessive weight on the rail system that exceeds its designed capacity.
- Ensure that all accessories attached to the rail are securely fastened to prevent them from falling off during use.
- Be aware of the surrounding environment and ensure that no obstacles are present that could interfere with the safe operation of the firearm.

Instructions for Installation and Usage

Installation

1. Preparation

- Ensure the firearm is unloaded.
- Gather necessary tools, including a torque wrench and appropriate screws.

2. Attaching the Handguard

- Locate the long barrel nut and attach it securely to the barrel of the firearm.
- Use the torque wrench to tighten the barrel nut to the manufacturer's specifications.
- Slide the handguard over the barrel nut, ensuring a tight fit.

3. Securing the Handguard

- Use the two cross bolts to clamp the handguard securely to the barrel nut.
- Ensure that the handguard is properly aligned and does not rotate.

4. Installing Accessories

- Utilize the MLOK attachment points to secure any additional accessories.
- Ensure that all accessories are installed at 45° intervals for optimal placement.

5. Final Check

- Inspect the installation to ensure all components are securely fastened.
- Test the handguard for stability before usage.

Usage

- Always ensure the firearm is maintained according to the manufacturer's guidelines.
- Regularly check the tightness of the handguard and accessories before use.
- If any unusual sounds or movements are noticed during operation, stop using the firearm immediately.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding aluminum and other materials.
- Do not dispose of the product in household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the AR15/M16 MK 8 Super Modular Rails, MLOK, please refer to the manufacturer's contact information provided with your product packaging.

Thank you for your attention to these safety guidelines. Your safety and the safety of others are our top priority. Enjoy your product responsibly!
