

M1 MUZZLE BUDDY - TK PRODUCTS M1 BUDDY COMBO

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Guides](#)

M1 Garand muzzle mounted cleaning rod guide friction fits on the muzzle for correct alignment of the cleaning rod with the bore. Internal chamber allows for reversal of bore brush or jag without removing the guide. Fits up to 30 caliber rods such as the Dewey coated rods. Works for all calibers. Our guide includes a solvent port for ease of use. Just slip the rod guide over your cleaning rod, then install your jag or brush on the rod prior to placing the Muzzle Buddy on the barrel. Protect that properly crowned muzzle with the new Muzzle Buddy. The M1 Buddy Combo contains the M1 Buddy and M1 Muzzle Buddy.

M1 Muzzle Buddy TK Products M1 Buddy Combo Safety Instruction Guide

Introduction

Thank you for choosing the M1 Muzzle Buddy TK Products M1 Buddy Combo. This product is designed to enhance your cleaning experience for the M1 Garand rifle. It is important to follow the safety guidelines outlined in this document to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure the product is used only as intended.
- Always handle firearms and cleaning tools with care.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check the product for any signs of wear or damage before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about any recall updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before attaching the Muzzle Buddy.
- Do not use the product if it shows signs of damage or wear.
- Avoid using excessive force when inserting or removing the cleaning rod.
- Use only compatible cleaning rods (up to 30 caliber) with the Muzzle Buddy.
- Ensure proper alignment of the cleaning rod with the bore to prevent damage.
- Use the solvent port only as directed and ensure it is securely closed after use.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including the cleaning rod and bore brush or jag.

2. Installing the Muzzle Buddy:

- Slip the M1 Muzzle Buddy over your cleaning rod.
- Install the jag or brush onto the cleaning rod before placing the Muzzle Buddy on the barrel.
- Ensure that the Muzzle Buddy is properly seated on the muzzle for correct alignment.

3. Using the Cleaning Rod:

- Gently insert the cleaning rod through the Muzzle Buddy into the bore.
- Use smooth, controlled motions to clean the bore, avoiding excessive force.
- If using a bore brush or jag, periodically check for any debris or fouling.

4. Reversal of Bore Brush or Jag:

- If you need to reverse the bore brush or jag, do so within the internal chamber of the Muzzle Buddy without removing it from the muzzle.

5. PostCleaning:

- Remove the cleaning rod and Muzzle Buddy from the firearm after cleaning.

- Clean the Muzzle Buddy with a suitable solvent and allow it to dry before storage.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer functional, consider recycling options where available.

Contact Information for Further Support

For any questions or concerns regarding the M1 Muzzle Buddy TK Products M1 Buddy Combo, please refer to the manufacturer's contact information provided with your product packaging. It is important to reach out to the manufacturer for any safety inquiries or product support.
