Made of nearly indestructible Zytel, these magazine bumpers are designed to enable your factory magazines to load one extra round. These have been designed to help with seating magazines securely into the pistol frame by providing extra material to "bump" them into a locked state. The Plus 1 Magazine Bumper also features a Spring Assist for even faster magazine ejection and assured magazine drop when the mag release is pressed. From competition shooters to casual backyard plinkers, everyone can benefit with these simple to install upgrades. Sold in packs of 2.

### Introduction

Thank you for choosing the RUGER® 22/45™ + 1 MAGAZINE BUMPER by TANDEMKROSS. This product is designed to enhance your shooting experience by allowing your factory magazines to load one extra round. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

### General Safety Guidelines

- Ensure that all products are used in accordance with the manufacturer's instructions.
- Always treat firearms and related products with respect, as they can pose significant dangers if misused.
- Keep all products out of reach of children and unauthorized users.
- Regularly inspect products for damage or wear and replace as necessary.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

### Specific Safety Precautions for Use

- Always ensure that your firearm is unloaded when installing or adjusting the magazine bumper.
- Use only with compatible Ruger Mark II and Mark III 22/45 magazines.
- Do not attempt to modify or alter the magazine bumper in any way.
- Ensure that the magazine is properly seated in the firearm before use.
- Use only authorized and recommended ammunition with your firearm.
- Be aware of your surroundings and ensure a safe shooting environment at all times.

### Instructions for Installation and Usage

#### Installation Instructions

1. **Prepare Your Workspace:** Ensure that you are in a clean, welllit area free from distractions.
2. **Unload Your Firearm:** Confirm that your firearm is completely unloaded.
3. **Remove the Magazine:** Take the magazine out of the firearm.
4. **Attach the Magazine Bumper:**
  - Align the bumper with the base of the magazine.
  - Firmly press the bumper onto the magazine until it is securely attached.
5. **Check Installation:** Ensure that the bumper is properly seated and does not move when pulled.

#### Usage Instructions

- To load the magazine, follow the standard loading procedure for your Ruger 22/45.
- When ready to shoot, insert the magazine into the firearm until it clicks into place.
- After firing, press the magazine release button to eject the magazine.
- The Plus 1 Magazine Bumper features a Spring Assist for faster ejection; ensure it is functioning correctly.

### Disposal Instructions

- Dispose of the magazine bumper according to local regulations.
- Do not incinerate or dispose of in a manner that could cause environmental harm.

- If the product is damaged or no longer in use, consider recycling options if available.
