

# RUGER® SR22® WINGMAN PLUS 5 MAGAZINE BUMPER - TANDEMKROSS RUGER® SR22® WINGMAN PLUS 5 MAG BUMPER 2-PACK

[Magazines](#) > [Handgun Magazines](#) > [Magazine Parts](#) > [Magazine Extension](#)

Made of nearly indestructible Zytel, these magazine bumpers are designed to enable your factory magazines to load five extra rounds. These bumpers extend the bottom of the magazine to allow for more grip and better handling. Even more importantly, they help with seating magazines securely into the pistol frame by providing extra material to "bump" them into a locked state. From competition shooters to casual backyard plinkers, everyone can benefit with these simple to install upgrades. Installing the bumper removes the magazine follower button so the last round hold open feature will be disabled. Sold in packs of 2.

# **RUGER® SR22® WINGMAN PLUS 5 MAGAZINE BUMPER SAFETY INSTRUCTION GUIDE**

## **Introduction**

Thank you for choosing the RUGER® SR22® WINGMAN PLUS 5 MAGAZINE BUMPER. This product is designed to enhance the performance of your factory magazines by allowing for additional rounds and improving handling. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## **General Safety Guidelines**

- Ensure that all safety precautions are followed when using this product.
- Always keep firearms pointed in a safe direction.
- Use appropriate protective gear, such as eye and ear protection, when handling firearms.
- Be aware of your surroundings and ensure that you are in a safe environment when using firearms.
- Keep this product out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates through the EU's Safety Gate platform.

## **Specific Safety Precautions for Use**

- The installation of the magazine bumper will disable the last round hold open feature. Be mindful of this change when using your firearm.
- Ensure that the magazine is empty before attempting to install or remove the bumper.
- Do not attempt to modify the bumper or the magazine in any way that is not specified in the installation instructions.
- Regularly inspect the bumper for wear and tear. Replace it if it shows any signs of damage.
- Avoid using the bumper with magazines that are not compatible with the RUGER® SR22®.

## **Instructions for Installation and Usage**

### **1. Installation of the Magazine Bumper:**

- Ensure that the magazine is unloaded and free from ammunition.
- Remove the magazine follower button by following the manufacturer's guidelines.
- Align the bumper with the bottom of the magazine.
- Press the bumper firmly into place until it clicks securely.
- Confirm that the bumper is properly installed by checking for any movement.

### **2. Usage of the Magazine Bumper:**

- Load the magazine with the desired number of rounds, ensuring that the bumper is seated correctly.
- Insert the magazine into the firearm, ensuring it is locked in place.
- Practice safe handling and shooting techniques at all times.

### **3. PostUse Care:**

- After use, clean the bumper and magazine according to the manufacturer's recommendations.
- Store the magazine with the bumper in a safe and secure location.

## **Disposal Instructions**

- Dispose of the magazine bumper in accordance with local regulations regarding plastic waste.
- Do not incinerate or expose the bumper to extreme heat, as this may release harmful substances.
- If the bumper is damaged or no longer in use, consider recycling options available in your area.

## **Contact Information for Further Support**

For any safety inquiries or additional support regarding the RUGER® SR22® WINGMAN PLUS 5 MAGAZINE BUMPER, please refer to the manufacturer's contact information provided with the product packaging or on the manufacturer's website.

By following these guidelines, you can ensure a safe and enjoyable experience with your RUGER® SR22® WINGMAN PLUS 5 MAGAZINE BUMPER. Thank you for your attention to safety and responsible firearm use.
