

GEN-2 ENHANCED FREE FLOATING HANDGUARDS FOR AR-15 - AERO PRECISION GEN-2 ENHANCED 15" M-LOK HANDGUARD FREE FLOAT FOR AR-15 BLK

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

Aeros' Enhanced M-LOK (EM) Handguards provide a lightweight free float design for your custom AR15 build. The M-LOK system allows advanced modularity past the current 1913 picatinny rail system. Machined to mil-spec dimensions and engineered to perfection, this handguard eliminates bulk while retaining strength and stability. FEATURES: 1pc free float design Built in anti-rotation tabs Scalloped rails Continuous top rail 1.78" inside diameter fits most muzzle devices and 1.5" suppressors Compatible with low profile gas blocks GEN-2 FEATURES Quick disconnect sling socket at the 3, 6 and 9 o'clock positions Additional milling along flats to aid with gripping and add visual appeal New profile for the continuous picatinny top rail PLEASE NOTE: This handguard is specific to the AR15/M4E1 platform. It is not compatible with the M5 .308/M5E1 platform.

Safety Instruction Guide for GEN2 Enhanced Free Floating Handguards for AR15

Introduction

Thank you for choosing the GEN2 Enhanced Free Floating Handguards for AR15 by AERO Precision. This product is designed to enhance the functionality and modularity of your AR15 build. To ensure safe usage and compliance with EU safety regulations, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that the handguard is compatible with your AR15/M4E1 platform. It is not suitable for the M5 .308/M5E1 platform.
- Always handle firearms and firearm accessories with care and responsibility.
- Keep the handguard and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the handguard for any signs of wear or damage. Do not use if damaged.
- Follow all local laws and regulations regarding firearm modifications and accessories.

Specific Safety Precautions for Use

- Before installation, ensure that the firearm is unloaded and the chamber is clear.
- Use appropriate tools and equipment when installing the handguard to avoid injury.
- Wear safety glasses and gloves during installation to protect against potential hazards.
- Ensure that the handguard is securely attached before using the firearm.
- Be mindful of the handguard's heat during and after firing, as it may become hot and cause burns.
- Do not attach any accessories that exceed the weight limit recommended by the manufacturer.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools: torque wrench, Allen keys, and any other tools specified in the installation manual.
- Ensure your workspace is clean and free of distractions.

2. Installation Steps

- Ensure the firearm is unloaded and the chamber is clear.
- Remove the existing handguard according to your firearm's manual.
- Align the GEN2 Enhanced Handguard with the upper receiver.
- Secure the handguard using the provided antirotation tabs and screws.
- Tighten screws to the manufacturer's recommended torque specifications.
- Verify that the handguard is securely attached and does not move.

3. Usage Guidelines

- After installation, conduct a function check of the firearm to ensure all components are working correctly.
- Use the handguard for its intended purpose only and avoid any misuse.
- Regularly clean and maintain the handguard to ensure optimal performance.

Disposal Instructions

- Dispose of the handguard in accordance with local regulations.
- Do not dispose of the handguard in household waste if it contains hazardous materials.
- Consider recycling options for aluminum components when applicable.

Contact Information for Further Support

For any questions or concerns regarding the GEN2 Enhanced Free Floating Handguards for AR15, please refer to the manufacturer's website or contact their customer support for assistance.

Conclusion

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your GEN2 Enhanced Free Floating Handguards for AR15. Always prioritize safety and responsible firearm handling. Thank you for your trust in AERO Precision products.
