

# UNIVERSAL BORE GUIDE - LYMAN UNIVERSAL BORE GUIDE SET (.17-.416)

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rods](#)

Directs & centers your cleaning rod & jag through the chamber. This protects both the chamber and the bore from abrasion by the cleaning rod during regular cleaning. "Universal" means that this set will fit most bolt actions and even includes a special adapter sleeve for the AR-15. Precision machined from durable, anodized aluminum, the set comes with interchangeable tips that cover bore sizes from .17 up to .416 and the thread-on nozzles prevent the guide's sticking in the chamber. The guide's specially machined port makes applying solvent to the inserted cleaning patch easier and neater than trying to push a wet patch into the open end of the guide. The Universal Bore Guide Set works with most cleaning rods like Lyman's new Universal Cleaning Rod System and Jag and Brush Set.

## Attributes

- Name: [LYMAN UNIVERSAL BORE GUIDE SET \(.17-.416\)](#)
- Manufacturer: [LYMAN](#)
- Product no.: 100015573
- Mfr. No.: 04045

# Safety Instruction Guide for Lyman Universal Bore Guide Set (.17.416)

## Introduction

Thank you for choosing the Lyman Universal Bore Guide Set. This guide is designed to ensure your safe and effective use of the product. Please read through the safety instructions carefully to understand how to use the bore guide safely and effectively while complying with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always follow the manufacturer's instructions for proper use.
- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for wear and damage before use.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - Risk of injury from improper handling of cleaning rods and jag.
  - Potential for damage to the firearm if used incorrectly.
- **Avoiding Hazards:**
  - Always ensure that the firearm is unloaded before using the bore guide.
  - Use only compatible cleaning rods and jags with the bore guide.
  - Avoid excessive force when inserting or removing the bore guide to prevent damage.
  - Do not use the bore guide if it shows signs of damage or wear.
- **AgeSpecific Warnings:**
  - This product is not intended for use by individuals under the age of 18 without adult supervision.
  - Ensure that children are supervised when cleaning firearms.

## Instructions for Installation and Usage

- **Installation:**
  1. Ensure the firearm is completely unloaded and pointed in a safe direction.
  2. Select the appropriate tip for the bore size you are cleaning.
  3. Attach the selected tip to the bore guide securely.
- **Usage:**
  1. Insert the bore guide into the chamber of the firearm. Ensure it is seated properly.
  2. Attach your cleaning rod to the bore guide.
  3. Use the cleaning rod to clean the bore gently, ensuring that the bore guide remains in place.
  4. Apply solvent to the cleaning patch through the specially machined port for easy application.
  5. After cleaning, carefully remove the bore guide from the chamber.

- **PostUsage Care:**

- Clean the bore guide after each use to maintain its condition.
- Store the bore guide in a safe, dry place away from children.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the bore guide in regular household waste if it is damaged.
- Check with local waste management facilities for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding safety or product issues, please refer to the manufacturer's website or contact their customer support for assistance.

By following these guidelines, you can ensure a safe and effective experience with your Lyman Universal Bore Guide Set. Thank you for prioritizing safety!
