## KEYMOD LONG VERTICAL GRIP ALUMINUM BLACK

[Rifle Parts](#) > [Grip Parts](#) > [Vertical Grips](#)

### Improves Control & Hold On Rifle

Specifically made for Keymod rails, these solid aluminum grips allow the user to have a proper hand placement on the foreend with no gap or Picatinny rail interference. Solid aluminum grip mounts directly to handguard using the supplied attachment point. Grip features a solid steel rod through the center for added strength and to permit quick detachment. Low profile mounting plate will not get in the way even when the grip is removed and the stainless steel backer bar keeps the plate securely in place.

### Attributes

- Name: [SAMSON MANUFACTURING CORP KEYMOD LONG VERTICAL GRIP ALUMINUM BLACK](#)

# Safety Instructions for KEYMOD LONG VERTICAL GRIP

## Introduction

Thank you for choosing the KEYMOD LONG VERTICAL GRIP by Samson Manufacturing Corp. This product is specifically designed for Keymod rails, providing a secure and ergonomic grip for your firearm. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or removing the grip.
- Use the grip only as intended and follow all instructions provided.
- Keep the grip and firearm out of reach of children and unauthorized users.
- Regularly inspect the grip for any signs of wear or damage. Replace if necessary.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Do not exceed the recommended load capacity of the grip.
- Ensure that the grip is securely attached before use to prevent accidents.
- Avoid using the grip in wet or slippery conditions to maintain control.
- Be cautious when detaching the grip to prevent pinching or injury.
- Always wear appropriate protective gear when handling firearms.

## Instructions for Installation and Usage

### Installation

#### 1. Preparation

- Ensure that your firearm is unloaded and safe to handle.
- Gather the necessary tools for installation (if required).

#### 2. Mounting the Grip

- Align the grip with the Keymod rail on your firearm.
- Use the supplied attachment point to secure the grip directly to the handguard.
- Ensure that the grip is firmly attached and does not move.

### Usage

- Hold the grip firmly with your dominant hand.
- Maintain a proper hand placement on the foreend to ensure control and accuracy.
- If you need to detach the grip, pull the solid steel rod gently to release it.

## Disposal Instructions

- Dispose of the grip in accordance with local regulations.
- Do not dispose of the grip in regular household waste if it is damaged or defective.
- Contact your local waste management authority for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding product safety or support, please refer to the contact information provided by the manufacturer or check the official website for assistance.

By following these safety instructions, you can ensure a safe and effective experience with your KEYMOD LONG VERTICAL GRIP. Thank you for your attention to safety.
