

AR-15/M16 PMAG M3 FIREPOWER EXTENSION - TARAN TACTICAL INNOVATIONS FIREPOWER 223/5.56 PMAG EXTENSION, BLACK

[Magazines](#) > [Rifle Magazines](#) > [Magazine Parts](#) > [Magazine Hardware](#)

Expands PMAG Capacity By Up To 6 Extra Rounds

Drop in magazine extension allows you to increase the capacity of both 5.56 and 7.62 PMAGS. The 5.56 extension adds 5 rounds to 30 round PMAGS and 6 rounds to 40 round magazines. Extensions for 7.62 PMAGS add 6 rounds to both the 20 and 25 round magazines. Machined from a single piece of aluminum, extensions utilize the factory magazine spring and require no special tools for installation. Extension's extra weight also ensures the magazine drops free of the rifle for quicker reloads during competition shooting or tactical situations.

Safety Instruction Guide for AR15/M16 PMAG M3 Firepower Extension

Introduction

Thank you for purchasing the AR15/M16 PMAG M3 Firepower Extension by Taran Tactical Innovations. This guide provides essential safety instructions to ensure the safe use and installation of your magazine extension. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure you are familiar with the operation of your firearm before using any magazine extension.
- Always treat your firearm as if it is loaded, even when it is not.
- Store the magazine extension and your firearm securely, out of reach of children and unauthorized users.
- Use only compatible magazines as specified in the product description to avoid malfunctions.
- Regularly inspect the magazine extension for any signs of wear or damage before use.
- In case of any malfunction, stop using the product immediately and consult a qualified gunsmith.

Specific Safety Precautions for Use

- The magazine extension is designed for use with 5.56 and 7.62 PMAGS only. Do not attempt to use it with any other type of magazine.
- Ensure that the magazine is fully seated in the firearm before attempting to fire.
- Do not exceed the recommended capacity of the magazine as specified in the product description.
- Always follow the manufacturer's guidelines for loading and unloading the magazine.
- Avoid using the extension in extreme weather conditions that could affect the performance of the magazine or firearm.
- If you experience any difficulties during operation, cease use and consult the manufacturer or a qualified expert.

Instructions for Installation and Usage

1. Preparation:

- Gather necessary tools (if required) and ensure you are in a safe environment.
- Make sure your firearm is unloaded and pointed in a safe direction.

2. Installation:

- Remove the factory magazine from your firearm.
- Carefully remove the existing base plate from the magazine.
- Align the PMAG extension with the magazine and slide it onto the magazine body.
- Ensure that the extension is securely attached and that the factory magazine spring is properly seated within the extension.
- Replace the base plate if applicable, ensuring it is locked in place.

3. Usage:

- Load the magazine with the appropriate number of rounds as specified in the product description.
- Insert the magazine into the firearm until it clicks into place.
- Perform a function check to ensure the magazine is seated correctly and the firearm operates as intended.

4. PostUsage:

- After use, remove the magazine from the firearm and unload it in a safe manner.
- Clean the magazine extension and store it properly.

Disposal Instructions

- Dispose of the magazine extension in accordance with local regulations.
- Do not dispose of it in regular household waste.
- If the product is damaged or no longer usable, contact local authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the AR15/M16 PMAG M3 Firepower Extension, please refer to the manufacturer's contact details provided with your product. Always ensure you are using the product in accordance with the manufacturer's guidelines and local laws.

Thank you for prioritizing safety while using the AR15/M16 PMAG M3 Firepower Extension. Your adherence to these guidelines ensures a safer shooting experience.
