# Safety Instruction Guide for the 308 AR PMAG Firepower Extension

## Introduction

Thank you for choosing the 308 AR PMAG Firepower Extension from Taran Tactical Innovations. This product is designed to enhance the capacity of your PMAGs, providing a reliable and efficient solution for your shooting needs. To ensure your safety and the proper use of this product, please read the following safety instructions carefully.

## General Safety Guidelines

- Always handle firearms and ammunition with care and respect.
- Ensure that the Firepower Extension is compatible with your PMAG model before installation.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of damage or wear.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing the Firepower Extension.
- Do not exceed the recommended capacity of your PMAG after installation.
- Use only factory magazine springs to avoid malfunctions.
- Avoid exposing the product to extreme temperatures or harsh chemicals.
- If you experience any malfunctions during use, cease operation immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather necessary tools: no specialty tools are required, but a clean workspace is recommended.

### 2. Installation Steps

- Remove the existing base plate from your PMAG by pressing the release tab and sliding it off.
- Align the Firepower Extension with the PMAG, ensuring proper fit.
- Slide the Firepower Extension onto the PMAG until it clicks into place.
- Reinsert the factory magazine spring and follower, ensuring they are properly seated.
- Replace the base plate securely.

### 3. Usage

- Load your PMAG as per standard loading procedures.
- Ensure that the magazine is seated properly in the firearm before firing.
- Monitor the performance of the magazine during use; if any issues arise, discontinue use immediately.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not throw the product in regular household waste.
- If the product is damaged or no longer functional, contact local authorities for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding safety or product issues, please refer to the manufacturer's contact information provided with the product packaging. Ensure that you have your product details ready for efficient assistance.

Thank you for following these safety instructions. Your safety is our priority, and we hope you enjoy the enhanced performance of your 308 AR PMAG Firepower Extension. Always prioritize safety in all aspects of firearm handling and usage.
