LIGHT MOUNT VBLOCK & RINGS SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the LIGHT MOUNT VBLOCK & RINGS by MAGPUL. This versatile mounting solution is designed for attaching handheld lights to compatible Magpul light mounts. To ensure your safety and the proper use of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always use the Light Mount VBlock and Rings according to the manufacturer's instructions.
- Inspect the product for any damage or wear before each use. Do not use if damaged.
- Ensure that the mounted light is securely attached before use.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU Safety Gate platform.

Specific Safety Precautions for Use

- **Compatibility Check:** Ensure that your handheld light has a body diameter between .75" and 1.04" for proper fit.
- **Secure Installation:** When attaching the Light Mount VBlock and Rings, ensure that all hardware is tightened to prevent accidental dislodgment.
- **Avoid Overloading:** Do not exceed the weight limit of the mounting solution as specified by the manufacturer.
- **Environmental Considerations:** Avoid using the product in extreme weather conditions that may affect its performance.
- **Regular Maintenance:** Periodically check the mounting system for signs of wear or loosening and perform necessary maintenance.

Instructions for Installation and Usage

1. **Gather Required Tools:** Ensure you have all necessary tools for installation, including those provided with the product.
2. **Select Mounting Location:** Choose a suitable location on your weapon platform that allows for optimal light positioning and accessibility.
3. **Attach the VBlock:**
 - Align the VBlock with the mounting surface.
 - Secure it using the provided hardware, ensuring it is tight and stable.
4. **Install the Rings:**
 - Place the rings around the handheld light.
 - Adjust the rings to fit snugly around the light body.
5. **Final Check:**
 - After installation, doublecheck all connections and ensure the light is securely mounted.
 - Test the functionality of the light before operational use.

Disposal Instructions

- Dispose of the product in accordance with local regulations for plastic and metal waste.
- Do not dispose of the product in household waste. Check for recycling options in your area.
- If the product is damaged beyond repair, ensure it is rendered unusable before disposal.

Contact Information for Further Support

For any inquiries or additional support regarding the LIGHT MOUNT VBLOCK & RINGS, please refer to the manufacturer's contact information provided with your product packaging.

By following these safety instructions, you can ensure a safe and effective experience with your LIGHT MOUNT VBLOCK & RINGS. Thank you for your attention to safety.
