Safety Instruction Guide for the 1911 Slide Measuring Tool

Introduction

Thank you for choosing the 1911 Slide Measuring Tool by Everglades Ammo. This tool is specifically designed to assist you in measuring the width necessary for a proper slidetoframe fit, ensuring precision in your frame modifications. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always use the tool in accordance with the manufacturer's instructions.
- Ensure that the measuring tool is used in a safe and controlled environment.
- Keep the tool out of reach of children and vulnerable individuals.
- Inspect the tool before each use for any signs of damage or wear.
- Report any unsafe conditions or incidents related to the tool to the appropriate authorities.

Specific Safety Precautions for Use

- Handle the measuring tool with care to avoid injury.
- Use appropriate personal protective equipment (PPE), such as safety goggles and gloves, while using the tool.
- Ensure that the work area is clean and free from hazards that could cause accidents.
- Do not force the tool beyond its intended use; it is designed for specific measurements only.
- Avoid using the tool in wet or damp conditions to prevent slips and falls.

Instructions for Installation and Usage

1. Preparation:

- Ensure you have a clean and stable work surface.
- Gather all necessary tools and materials before beginning.

2. Measuring:

- Place the 1911 Slide Measuring Tool against the frame to be measured.
- Align the tool so that the parallel ground surfaces are in contact with the frame.
- Carefully read the measurement indicated on the tool.
- Record the measurement for reference.

3. Cutting:

- Use the recorded measurement to adjust your frame accordingly.
- If using the tool in conjunction with the Everglades Ammo 1911 Frame Rail Cutting Fixture, follow the fixture's instructions for proper setup.

4. PostUse Care:

- Clean the tool after each use to maintain its precision and longevity.
- Store the tool in a safe and dry location when not in use.

Disposal Instructions

- Dispose of the measuring tool in accordance with local regulations.
- If the tool is damaged beyond repair, ensure it is disposed of safely to prevent injury.

Contact Information for Further Support

For any inquiries or support related to the 1911 Slide Measuring Tool, please refer to the manufacturer's contact information provided with your product packaging.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience when using the 1911 Slide Measuring Tool. Always prioritize safety and adhere to the guidelines provided in this document. Thank you for your attention to these important safety measures.
