Disposable Bore Cleaning Swabs Leave Nothing Behind

Disposable cleaners have tightly wound, low-lint cotton heads that wipe away all kinds of fouling and powder residue without leaving any fibers behind. Heads are designed to expand into rifling grooves and conform to barrel walls for maximum cleaning. Designed not to splatter and splash solvent onto you or your gun's finish. Also great for cleaning inside slides, chambers, receivers and magazine wells. Flexible bamboo handle won't snap under pressure and helps you get into hard-to-reach nooks and crannies. NOTE: For handgun cleaning, Ramrodz may be used alone. For rifle/shotgun cleaning, they must be used with a standard cleaning rod and the rod adapters sold below.

Benefits: No mess or splatter, expands deep into every rifling grooves to remove all debris, faster and more thoroughly than patches, no adapters or tools are required, and they are ideal for shop or field use. RamRodz Rifle & Shotgun Adapters provide an efficient way to clean rifle and shotgun barrels, using caliber-specific RamRodz. Adapters Must use the RamRodz Rifle & Shotgun Adapters with the cleaning system to provide an efficient way to clean rifle and shotgun barrels, using caliber-specific RamRodz. When used with RamRodz, they eliminate the need for patches. Made of durable, reinforced nylon. Fits standard cleaning rod threads, 8-32. Each package contains 3 rifle and 3 shotgun adapters.

This guide provides essential safety instructions to ensure the safe and effective use of the product, in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is cleaning rifle and shotgun barrels.
- Always keep the product out of reach of children and vulnerable individuals.
- Inspect the product before each use for any signs of damage or wear. Do not use if damaged.
- Store the product in a cool, dry place away from direct sunlight and moisture.
- Follow all local regulations regarding the use and disposal of cleaning products and materials.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Use the RamRodz Rifle & Shotgun Adapters only with the specified caliber-specific RamRodz.
- When using the cleaning system, ensure that the cleaning rod is securely attached to the adapter to avoid accidents.
- Avoid using excessive force when cleaning to prevent damage to the firearm or the cleaning system.
- Do not use the cleaning system near open flames or heat sources, as solvents may be flammable.
- Ensure proper ventilation in the area where cleaning is performed to avoid inhalation of fumes.
- Do not ingest any part of the cleaning system or its components.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary items: RamRodz, RamRodz Rifle & Shotgun Adapters, and a standard cleaning rod.
- Ensure your firearm is unloaded and pointed in a safe direction.

2. Installation:

- Attach the appropriate RamRodz Rifle & Shotgun Adapter to the standard cleaning rod by screwing it onto the 832 thread.
- Ensure the adapter is securely tightened to avoid detachment during use.

3. Cleaning:

- Insert the RamRodz into the barrel through the adapter.
- Gently push the RamRodz through the barrel, allowing it to expand into the rifling grooves.
- Pull the RamRodz back out of the barrel, removing fouling and powder residue.
- Repeat as necessary until the barrel is clean.

4. Post-Cleaning:

- After cleaning, inspect the barrel to ensure it is free of debris.
- Dispose of used RamRodz responsibly according to local regulations.

Disposal Instructions

- Dispose of used RamRodz and adapters in accordance with local waste disposal regulations.
- Do not dispose of the product in regular household waste if local laws require special disposal methods for cleaning products.
