## Complete Cleaning Kit For MSR, Shotguns & Handguns

Specifically designed cleaning kit contains all the components necessary for keeping tactical rifles, pistols, and shotguns in proper working order. This 65 piece cleaning kit is housed inside a molded plastic box with dual latches on the lid has and a padlock loop. Lid also has two, with see-through lids, for storing extra parts or supplies. Cleaning components are held in two, nested trays with custom-fitted compartments for each accessory. Bottom of box has plenty of room for storing solvents and cleaning chemicals (not included). Kit contains: tube cleaning brush; hex handle for use with one piece of brass rod; clear plastic tube and rope cable; shotgun ramrods, rifle/handgun ramrod; 4mm and 6mm muzzle guards; bronze brush and bore swab for 12 and 20 gauge; bronze brushes for .17 through .50; brass jags for .17 through .45; bore swab for .357 through .45; slotted brass tips for 12 ga., 410 ga., and .22 cal.; three piece brush and pick set; cotton cleaning patches; 10 cotton swabs and 10 cleaning cloths. Specialty tools for AR-Rifles include: upper receiver brush, bolt carry key brush, chamber brush, .223 and .308 tube cleaning brush.

# TOOL BOX CLEANING KIT SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the TOOL BOX CLEANING KIT by ALLEN CO INC. This cleaning kit is specifically designed to maintain tactical rifles, pistols, and shotguns in optimal working order. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always keep the cleaning kit out of reach of children and pets.
- Use the cleaning kit only for its intended purpose.
- Inspect all components before use. Do not use damaged or worn parts.
- Store the cleaning kit in a cool, dry place away from direct sunlight.
- Follow all local regulations regarding the storage and disposal of cleaning chemicals and solvents.
- In case of an accident or injury, seek medical attention immediately.

## Specific Safety Precautions for Use

- Wear protective eyewear when using cleaning solvents and chemicals.
- Use gloves to protect your skin from contact with solvents and cleaning agents.
- Ensure proper ventilation when using the cleaning kit, especially when working with solvents.
- Avoid ingestion of any cleaning components or chemicals. If ingested, seek medical attention immediately.
- Keep the cleaning kit closed and secured when not in use to prevent accidental access.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure that the firearm is unloaded and pointed in a safe direction before beginning the cleaning process.
- Gather all necessary cleaning components from the kit.

### 2. Using the Cleaning Components

- **Tube Cleaning Brush:** Attach the hex handle to the brass rod and use it with the tube cleaning brush to clean the barrel.
- **Bronze Brushes:** Select the appropriate bronze brush for your gauge and use it to clean the bore of the firearm.
- **Bore Swabs:** Use bore swabs for thorough cleaning of the bore after brushing.
- **Jags and Slotted Tips:** Attach jags or slotted tips to the brass rod for cleaning patches. Run them through the barrel to remove debris.
- **Cleaning Patches and Cloths:** Use cotton cleaning patches and cloths to wipe down surfaces and remove excess oil or solvent.

### 3. Storage of Components

- After use, clean all components with a suitable solvent and dry them thoroughly.
- Store all components in their designated compartments within the molded plastic box.
- Ensure that the lid is securely closed and that the box is stored safely.

## **Disposal Instructions**

- Dispose of used cleaning patches, cloths, and any cleaning chemicals according to local regulations.
- Do not dispose of cleaning solvents in regular household waste. Follow local hazardous waste disposal guidelines.
- Recycle the plastic box and other components whenever possible.

## **Contact Information for Further Support**

For any safety inquiries or further assistance regarding the TOOL BOX CLEANING KIT, please refer to the contact information provided by your retailer or manufacturer.

Remember to stay informed about product recalls and safety updates through the EU Safety Gate platform. Report any unsafe products or accidents to the appropriate authorities. Your safety is our priority. Thank you for using the TOOL BOX CLEANING KIT responsibly.
