

# THE ALL-IN-ONE TOOL - THE RIGHT TOOL CO. THE ALL-IN-ONE TOOL W/STAND

[Gunsmith Tools](#) > [Handgun Tools](#) > [Takedown Tools](#)

The Ruger® Mark™ series .22 pistols have renowned popularity, until cleaning time. We have all heard and read the stories about how frustrating disassembling and reassembling can be. Too many of us have just avoided it. No more! Now, with the user friendly, All-In-One Tool, there is a simpler, safer, and faster, method to clean our guns. The tool works on all the Mark series I, II, III™, and 22/45™ pistols with a square recess in the mainspring housing. and without altering the gun. For new guns or excessively dirty guns, we recommend the accessory stand. The stand frees up your second hand, allowing for more pressure to be placed on the durable tool which even stands up to hammering if necessary. From seasoned gun owners to first timers; they all agree this specifically engineered, made in the USA tool, works! The All-In-One Tool assists in the removal of the mainspring housing, disassembly/assembly of the bolt and barrel, and even holds down the follower button to help load the magazine.

# Safety Instruction Guide for THE ALLINONE TOOL

## Introduction

Thank you for choosing THE ALLINONE TOOL by THE RIGHT TOOL CO. This guide provides essential safety information and instructions to ensure proper and safe usage of the tool while cleaning your Ruger® Mark™ series .22 pistols. Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure the tool is used only for its intended purpose: cleaning and disassembling Ruger® Mark™ series pistols.
- Keep the tool out of reach of children and vulnerable individuals.
- Always follow the manufacturer's instructions for your specific pistol model.
- Inspect the tool before each use for any signs of damage or wear.
- Do not use the tool if it is damaged or malfunctioning.
- Use appropriate personal protective equipment (PPE) such as safety glasses when cleaning firearms.
- Store the tool in a safe and dry place when not in use.

## Specific Safety Precautions for Use

- Before using the tool, ensure the firearm is unloaded and the magazine is removed.
- Be cautious when handling the firearm and tool to avoid accidental discharge.
- Ensure that the work area is clear of any obstructions or distractions.
- Do not apply excessive force when using the tool, as this may lead to damage or injury.
- Always keep your hands clear of moving parts when using the tool.
- If you are unsure about any step in the cleaning process, consult the firearm's manual or seek assistance.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and the magazine is removed.
- Gather all necessary items including the AllInOne Tool and accessory stand (if applicable).

### 2. Using the AllInOne Tool:

- Position the AllInOne Tool over the mainspring housing of your Ruger® Mark™ series pistol.
- Carefully follow the instructions specific to your pistol model for disassembly.
- Use the tool to assist in the removal of the mainspring housing, disassembly, and assembly of the bolt and barrel.
- To load the magazine, use the tool to hold down the follower button.

### 3. Using the Accessory Stand (if applicable):

- Place the firearm securely on the accessory stand to free up your hands.
- This allows you to apply more pressure and stability when using the AllInOne Tool.

### 4. PostUse:

- Clean the tool after each use to maintain its performance.
- Store the tool in a designated area away from moisture and direct sunlight.

## **Disposal Instructions**

- Dispose of the AllInOne Tool responsibly. Do not dispose of it in regular household waste.
- If the tool is no longer usable, check local regulations for proper disposal methods for tools and metal products.
- Consider recycling if applicable.

## **Contact Information for Further Support**

For any safety inquiries or product support, please consult the manufacturer or your local retailer. Ensure to keep this guide for future reference.

By following these safety instructions, you can ensure a safe and effective cleaning process for your Ruger® Mark™ series .22 pistols using THE ALLINONE TOOL. Thank you for prioritizing safety and proper usage.
