

# EXTREME DUTY GUN OIL - LUCAS OIL PRODUCTS 8 OZ. GUN OIL

[Gun Cleaning & Chemicals](#) > [Oils & Lubricants](#) > [Lubricant & Protectant Oils](#)

Used and recommended by major firearms manufacturers, Lucas Extreme Duty Gun Oil is specially formulated for high volume, high heat and friction firearms and was designed for full auto firearms, SBRs and suppressors as well as semi-auto rifles, shotguns and pistols. It offers superior burn-off, shock and heat resistance, unlike any other multi-purpose gun oil. A unique additive keeps the oil from running and migrating while the polymeric film protects from rust, wear and moisture and resists carbon, lead and copper fouling and dramatically reduces wear during all shooting conditions. Applying Lucas Extreme Duty Gun Oil to bores, bolt carriers and gas pistons makes clean-up of powder residue, copper and carbon fouling a much easier task. Apply a light coat to suppressor baffles, mounts, muzzle breaks and flash hiders to resist carbon build up and to make cleaning quicker and easier. It neutralizes acids from fingerprints and resists drying for long term storage use. Developed for demanding lubrication during hard use. Extreme working temperature range of -38°F to 400°F. Great for ultra-sonic cleaner use for small or bulk parts lubrication. Superior blow back resistance, keeping oil out of your face and off your glasses.

## Attributes

- Name: [LUCAS OIL PRODUCTS 8 OZ. GUN OIL](#)
- Manufacturer: [LUCAS OIL PRODUCTS](#)
- Product no.: 100015896
- Mfr. No.: 10870
- Size: 8 oz
- Delivery weight: 0.252kg
- Shipping height: 51mm
- Shipping width: 51mm
- Shipping length: 533mm
- UPC: 049807108700

# Safety Instruction Guide for EXTREME DUTY GUN OIL

## Introduction

Thank you for choosing Lucas Extreme Duty Gun Oil. This product is designed to provide superior lubrication and protection for firearms under high heat and friction conditions. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always store the product in a cool, dry place away from direct sunlight.
- Keep out of reach of children and pets.
- Use personal protective equipment (PPE) such as gloves and safety goggles when handling this product.
- Avoid contact with skin and eyes. In case of contact, rinse thoroughly with water.
- Do not ingest. If ingested, seek medical attention immediately.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure proper ventilation when using the product to avoid inhaling fumes.
- Do not use near open flames or high heat sources.
- Avoid mixing with other chemicals or lubricants unless specified.
- Do not apply excessively; a light coat is sufficient for optimal performance.
- If using in combination with ultrasonic cleaners, follow the manufacturer's instructions for safe use.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and safe to handle.
- Clean the surface to be lubricated to remove any dirt or debris.

### 2. Application:

- Shake the bottle well before use.
- Apply a light coat of Lucas Extreme Duty Gun Oil to the following areas:
  - Bores
  - Bolt carriers
  - Gas pistons
  - Suppressor baffles
  - Muzzle brakes
  - Flash hiders
- Use a clean cloth or applicator to spread the oil evenly.

### 3. PostApplication:

- Allow the oil to sit for a few minutes for optimal penetration.
- Wipe off any excess oil to prevent buildup.

### 4. Storage:

- After use, securely close the bottle.
- Store in an upright position to prevent leaks.

## **Disposal Instructions**

- Dispose of any unused product or empty containers in accordance with local regulations.
- Do not pour down the drain or dispose of in regular household waste.

## **Contact Information for Further Support**

For any inquiries or further assistance regarding the use and safety of Lucas Extreme Duty Gun Oil, please refer to the contact information provided on the product packaging or visit the manufacturer's website.

Thank you for ensuring your safety and the proper use of Lucas Extreme Duty Gun Oil.
