

GUN OIL - LUCAS OIL PRODUCTS GUN OIL

[Gun Cleaning & Chemicals](#) > [Oils & Lubricants](#) > [Lubricant & Protectant Oils](#)

Used and recommended by major firearms manufacturers, Lucas Hunting Gun Oil is a special blend of oil and petroleum-extracted additives producing an all-weather, odorless lubricant. Its odorless formulation is a must for use on hunting firearms. The polymeric film protects metal from rust, wear and moisture during all hunting and shooting conditions. Applying Lucas Hunting Gun Oil to the bore and action makes clean-up of powder residue, copper fouling and wad fouling a much easier task. It resists burning off many times longer than conventional gun oils. Lucas Hunting Gun Oil cuts through rust and frees stuck parts and actions. It neutralizes acids from fingerprints to help prevent rusting. Lucas Hunting Gun Oil resists drying for long term storage use. Lucas Hunting Gun Oil is great for general lubrication on all your sporting firearms and compound bows. Environmentally friendly. Odorless. Excellent for long-term storage. Excellent household oil.

GUN OIL LUCAS OIL PRODUCTS GUN OIL Safety Instructions

Introduction

Thank you for choosing Lucas Hunting Gun Oil. This guide provides important safety instructions to ensure the safe and effective use of this product. Please read and follow these guidelines carefully to protect yourself and others.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a lubricant for firearms and compound bows.
- Keep the product out of reach of children and pets to prevent accidental ingestion or misuse.
- Store the product in a cool, dry place away from direct sunlight and heat sources.
- Always use the product in a wellventilated area to avoid inhalation of vapors.
- Check the product for any visible damage or leakage before use.

Specific Safety Precautions for Use

- Avoid contact with skin and eyes. In case of contact, rinse thoroughly with water and seek medical attention if irritation persists.
- Do not ingest. If swallowed, seek medical advice immediately and show the product label or container.
- Use personal protective equipment such as gloves and safety goggles when applying the product.
- Do not use the product near open flames or sparks, as it is flammable.
- Ensure that firearms are unloaded and safe before applying the oil.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is unloaded and in a safe condition.
- Clean the firearm to remove any dirt or debris from the bore and action.

2. Application:

- Shake the bottle gently before use.
- Apply a small amount of Lucas Hunting Gun Oil to a clean cloth or directly to the bore and action.
- Spread the oil evenly over the surfaces to be lubricated.

3. PostApplication:

- Wipe off any excess oil with a clean cloth to prevent buildup.
- Store the firearm in a safe place once the application is complete.

Disposal Instructions

- Dispose of any unused product and empty containers in accordance with local regulations.
- Do not pour the product down drains or into the environment.
- Contact your local waste disposal authority for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns, please refer to the product packaging for contact information or visit the manufacturer's website.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of Lucas Hunting Gun Oil. Always prioritize safety and stay informed about product recalls and safety updates. Thank you for your attention to these important guidelines.
