

GUN OIL - LUCAS OIL PRODUCTS GUN OIL 18 PACK W/DISPLAY CASE

[Gun Cleaning & Chemicals](#) > [Oils & Lubricants](#) > [Lubricant & Protectant Oils](#)

Used and recommended by major firearms manufacturers, Lucas Hunting Gun Oil is a special blend of oil and petroleum-extracted additives producing an all-weather, odorless lubricant. Its odorless formulation is a must for use on hunting firearms. The polymeric film protects metal from rust, wear and moisture during all hunting and shooting conditions. Applying Lucas Hunting Gun Oil to the bore and action makes clean-up of powder residue, copper fouling and wad fouling a much easier task. It resists burning off many times longer than conventional gun oils. Lucas Hunting Gun Oil cuts through rust and frees stuck parts and actions. It neutralizes acids from fingerprints to help prevent rusting. Lucas Hunting Gun Oil resists drying for long term storage use. Lucas Hunting Gun Oil is great for general lubrication on all your sporting firearms and compound bows. Environmentally friendly. Odorless. Excellent for long-term storage. Excellent household oil.

Safety Instruction Guide for GUN OIL LUCAS OIL PRODUCTS GUN OIL 18 PACK W/DISPLAY CASE

Introduction

Thank you for choosing Lucas Hunting Gun Oil. This guide provides essential safety instructions to ensure the safe use and handling of this product. It complies with the EU General Product Safety Regulation (GPSR) to protect consumers and ensure safe usage.

General Safety Guidelines

- Always read the product label and safety instructions before use.
- Keep the product out of reach of children and vulnerable individuals.
- Store the product in a cool, dry place away from direct sunlight and heat sources.
- Use the product only for its intended purpose as a lubricant for firearms and sporting equipment.
- In case of accidental ingestion or contact with eyes, seek medical attention immediately.

Specific Safety Precautions for Use

- Ensure proper ventilation when using the product to avoid inhalation of fumes.
- Avoid skin contact; wear gloves if necessary.
- Do not use the product near open flames or sparks, as it is flammable.
- Do not mix with other chemicals or substances unless specified by the manufacturer.
- Check for any signs of damage to the product before use. Do not use if the container is leaking or damaged.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction before applying the oil.
- Clean the firearm to remove any dirt or debris.

2. Application:

- Shake the bottle gently before use.
- Apply a small amount of Lucas Hunting Gun Oil to the bore and action of the firearm using the applicator tip.
- Wipe away any excess oil with a clean cloth.

3. PostApplication:

- Allow the oil to penetrate for a few minutes before using the firearm.
- Store the firearm in a safe place after application.
- Regularly check the firearm for any signs of rust or wear, especially if stored for long periods.

Disposal Instructions

- Dispose of any unused product and empty containers in accordance with local regulations.
- Do not pour the product down the drain or throw it in regular trash.
- Contact your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or further assistance, please refer to the contact details provided on the product packaging or visit the manufacturer's website.

By following these guidelines, you can ensure a safe and effective experience with Lucas Hunting Gun Oil. Always prioritize safety and consult professionals when in doubt. Thank you for your attention to these important safety measures.
