

REM 700 .300 WIN MAG STAGE 1.5 STOCK CHASSIS - ACCURACY INTERNATIONAL REM 700 .300 WIN MAG STAGE 1.5 STOCK CHASSIS POLYMER BLK

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The AT chassis from Accuracy International is a polymer and alloy chassis (not merely a stock), which provides the rigidity, strength and durability necessary to provide a stable, rugged platform for the barreled action in all weather and any terrain. Adjustable length of pull using 10mm and 20mm spacers. Lateral and height adjustable cheek piece. Six flush cup sling points for quick sling positioning. Optional AT folding stock using AI's battle proven hinge system. AX chassis style pistol grip. AICS 5 round magazine included and optional 10 round magazines available. KeySlot™ accessory mounting system on the 6:00 O'clock forend surface.

Safety Instruction Guide for REM 700 .300 WIN MAG STAGE 1.5 STOCK CHASSIS

Introduction

Thank you for choosing the REM 700 .300 WIN MAG STAGE 1.5 STOCK CHASSIS by Accuracy International. This guide provides essential safety instructions to ensure the proper use and handling of your product. Please read this guide carefully and keep it for future reference.

General Safety Guidelines

- Always handle the chassis with care and respect, treating it as a firearm component.
- Ensure the product is used in accordance with local laws and regulations regarding firearms.
- Store the chassis in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the chassis for any signs of wear, damage, or malfunction.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Do not use the chassis if it appears damaged or malfunctioning.
- Always ensure the firearm is unloaded when attaching or detaching the chassis.
- Use only compatible accessories and components with the chassis to prevent accidents.
- Follow all manufacturer instructions for the installation and usage of the chassis.
- Be aware of your surroundings and ensure a safe shooting environment at all times.

Instructions for Installation and Usage

1. Installation of the Chassis:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing stock from the firearm according to the manufacturer's instructions.
- Align the barreled action with the chassis and carefully secure it using the provided screws.
- Adjust the length of pull using the 10mm and 20mm spacers as needed.
- Attach the cheek piece and adjust its height and lateral position for comfort.

2. Usage of the Chassis:

- Familiarize yourself with the features of the chassis, including the adjustable cheek piece and flush cup sling points.
- Practice proper shooting techniques and maintain control of the firearm at all times.
- Utilize the KeySlot™ accessory mounting system for additional accessories as needed.
- If using the optional AT folding stock, ensure it is securely locked in place before use.

Disposal Instructions

- Dispose of the chassis in accordance with local regulations regarding firearm components.
- If the chassis is damaged beyond repair, contact local authorities for guidance on safe disposal.

Contact Information for Further Support

For any inquiries or concerns regarding the REM 700 .300 WIN MAG STAGE 1.5 STOCK CHASSIS, please refer to the manufacturer's contact information provided with the product packaging or visit their official website for

support resources.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your REM 700 .300 WIN MAG STAGE 1.5 STOCK CHASSIS. Always prioritize safety and responsibility when handling firearms and their components.
