

# THREAD ADAPTER 9/16-24 TO 5/8-24 - PRECISION ARMAMENT THREAD ADAPTER 9/16-24 TO 5/8-24 STAINLESS STEEL

[Rifle Parts](#) > [Muzzle Devices](#) > [Thread Adapters](#)

Machined from pre-hardened, stainless steel bar stock. Wrench flats on shoulder make installation and removal for use on multiple devices simple and easy. Compact design moves muzzle device only .100" forward maintaining full thread joint strength. All threads are single point cut in same operation to tight UNEF Class-3 tolerances for perfect concentricity and alignment. Allows attachment of 5/8-24 muzzle devices to a 9/16-24 threaded barrel.

## Attributes

- Name: [PRECISION ARMAMENT THREAD ADAPTER 9/16-24 TO 5/8-24 STAINLESS STEEL](#)
- Manufacturer: [PRECISION ARMAMENT](#)
- Product no.: 100015977
- Mfr. No.: A02003
- Finish: Stainless Steel
- Make: -
- Threads: 9/16-24 TO 5/8-24
- Delivery weight: 0.014kg
- Shipping height: 19mm
- Shipping width: 25mm
- Shipping length: 76mm

## Item details

Made in USA

US export classification: 0A501.x

# THREAD ADAPTER 9/1624 TO 5/824 SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the THREAD ADAPTER 9/1624 TO 5/824 by Precision Armament. This guide provides important safety instructions and usage information to ensure your safety and the optimal performance of the product. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure the product is suitable for your specific application before use.
- Always inspect the THREAD ADAPTER for any signs of damage or wear before installation.
- Use the product only as intended and in accordance with these instructions.
- Keep the product out of reach of children and vulnerable individuals.
- In case of any doubts or questions regarding the product, seek assistance from a qualified professional.

## Specific Safety Precautions for Use

- Use appropriate tools for installation and removal to prevent injury or damage.
- Avoid using excessive force during installation to prevent stripping threads or damaging the adapter.
- Ensure that the adapter is securely tightened before using any attached muzzle device.
- Do not exceed the manufacturer's specifications for torque settings during installation.
- Always wear safety glasses and appropriate protective gear when handling the product.
- Be aware of the potential for sharp edges on the adapter, especially after machining.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools, including a suitable wrench for the installation.
- Ensure that the threaded barrel and muzzle device are clean and free of debris.

### 2. Installation Steps

- Align the THREAD ADAPTER with the 9/1624 threaded barrel.
- Handtighten the adapter onto the barrel to ensure proper alignment.
- Using the appropriate wrench, tighten the adapter to the manufacturer's recommended torque specifications.
- Check for proper alignment and ensure that the adapter is securely fastened.

### 3. Usage

- Once installed, attach your 5/824 muzzle device according to the manufacturer's instructions.
- Regularly check the tightness of the adapter and muzzle device during use, especially after extensive shooting sessions.

### 4. Removal Steps

- Ensure the firearm is unloaded and safe to handle before removing the adapter.
- Using the appropriate wrench, loosen the adapter by turning it counterclockwise.
- Carefully remove the adapter from the barrel.

## **Disposal Instructions**

- Dispose of the THREAD ADAPTER in accordance with local regulations regarding metal waste.
- Do not dispose of the product in regular household waste.
- Consider recycling options where available to minimize environmental impact.

## **Contact Information for Further Support**

For any questions or concerns regarding the THREAD ADAPTER 9/1624 TO 5/824, please refer to the manufacturer's website or contact their customer support for assistance. Ensure you have the product details available for quicker support.

## **Conclusion**

By following these safety guidelines and instructions, you can ensure safe and effective use of the THREAD ADAPTER 9/1624 TO 5/824. Always prioritize safety and seek professional guidance if needed. Thank you for your attention and enjoy your product responsibly.
