

MOSSBERG 500 KICKLITE TACTICAL BUTTSTOCKS - PHOENIX TECHNOLOGY KICKLITE TACTICAL BUTTSTOCK MOSSBERG 500 12 GAUGE BLACK

[Shotgun Parts](#) > [Stock & Forend Parts](#) > [Buttstocks](#)

KickLite- Patented Recoil Reduction Technology. Enjoy enhanced weapon control, quicker follow up shots, reduced fatigue and increased accuracy. Designed with shooters of all sizes and body types in mind. Featuring a heavy duty spring and aluminum shaft working in a linear motion to greatly reduce the harsh recoil of common shotgun and rifle loads. The KickLite (tm) system is a fully integrated and maintenance free system which allows up to 3/4" rearward motion of receiver to absorb and dissipate energy up to 50%. A built in hood eliminates pinch points from movement of receiver rearward.

MOSSBERG 500 KICKLITE TACTICAL BUTTSTOCKS

SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the MOSSBERG 500 KICKLITE TACTICAL BUTTSTOCK. This product is designed to enhance your shooting experience by providing improved recoil reduction and weapon control. To ensure safe usage and maintenance, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Ensure that the firearm is pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Store the firearm and ammunition separately and securely.
- Use appropriate safety gear, including eye and ear protection, while shooting.
- Be aware of your surroundings and ensure that you have a clear target and backstop.
- Regularly inspect and maintain your firearm and buttstock to ensure proper functioning.

Specific Safety Precautions for Use

- The KickLite system is designed to reduce recoil; however, it is important to be aware of your shooting stance and grip to ensure stability.
- Ensure that the buttstock is properly installed before use. A loose or improperly attached buttstock can lead to accidents.
- Do not modify or alter the buttstock in any way, as this may compromise its safety features.
- The product is intended for use with Mossberg 12 gauge and 20 gauge models: 500, 590, 835, and Maverick 88. Do not use with other models or gauges.
- Always check the compatibility of your shotgun model before installation.

Instructions for Installation and Usage

Installation

1. Ensure that the firearm is unloaded and pointed in a safe direction.
2. Remove the existing buttstock from the firearm by following the manufacturer's instructions.
3. Align the KickLite buttstock with the receiver of the firearm.
4. Securely attach the buttstock using the provided hardware, ensuring it is tight and stable.
5. Conduct a final inspection to confirm that the buttstock is properly installed and does not move.

Usage

- When shooting, maintain a firm grip on the firearm and ensure your body is positioned to absorb recoil.
- Practice shooting in a controlled environment before taking the firearm into the field.
- Be mindful of the recoil reduction feature; it may change the way the firearm feels during discharge.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the product is damaged or no longer functional, do not attempt to repair it. Instead, follow local waste disposal guidelines for composite and synthetic materials.

Contact Information for Further Support

For any safety inquiries or concerns regarding the MOSSBERG 500 KICKLITE TACTICAL BUTTSTOCK, please refer to the product packaging for contact information or visit the manufacturer's website for support resources.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable shooting experience with your MOSSBERG 500 KICKLITE TACTICAL BUTTSTOCK. Always prioritize safety and responsible firearm handling. Thank you for your attention to these important guidelines.
