

MOSSBERG 500 KICKLITE TACTICAL BUTTSTOCKS - PHOENIX TECHNOLOGY KICKLITE TACTICAL BUTTSTOCK MOSSBERG 500 20 GAUGE BLACK

[Shotgun Parts](#) > [Stock & Forend Parts](#) > [Buttstocks](#)

KickLite- Patented Recoil Reduction Technology. Enjoy enhanced weapon control, quicker follow up shots, reduced fatigue and increased accuracy. Designed with shooters of all sizes and body types in mind. Featuring a heavy duty spring and aluminum shaft working in a linear motion to greatly reduce the harsh recoil of common shotgun and rifle loads. The KickLite (tm) system is a fully integrated and maintenance free system which allows up to 3/4" rearward motion of receiver to absorb and dissipate energy up to 50%. A built in hood eliminates pinch points from movement of receiver rearward.

Safety Instruction Guide for MOSSBERG 500 KickLite Tactical Buttstocks

Introduction

Thank you for choosing the MOSSBERG 500 KickLite Tactical Buttstock. This guide provides essential safety instructions to ensure safe and effective use of the product. It is crucial to follow these guidelines to minimize risks and maximize your experience with this firearm accessory.

General Safety Guidelines

- Always treat firearms with respect and follow safe handling practices.
- Ensure that the firearm is unloaded when installing or adjusting the buttstock.
- Keep the buttstock and firearm out of reach of children and unauthorized users.
- Regularly inspect the buttstock for signs of wear or damage before each use.
- Use the buttstock only with compatible models as specified in the product description.
- Follow all local laws and regulations regarding firearm accessories.

Specific Safety Precautions for Use

- Ensure that the KickLite system is properly engaged before use to maximize recoil reduction.
- Avoid using the buttstock with ammunition that exceeds the recommended load for your firearm.
- Do not modify the buttstock or attempt to disassemble it, as this can compromise safety and performance.
- When firing, maintain a proper shooting stance to reduce the risk of injury from recoil.
- Always wear appropriate eye and ear protection when using firearms.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing buttstock according to the manufacturer's instructions.
- Align the KickLite Tactical Buttstock with the receiver of your firearm.
- Securely attach the buttstock using the provided hardware, ensuring it is tightened to prevent movement during use.
- Verify that the buttstock is properly installed by gently pulling on it to check for stability.

2. Usage:

- When ready to shoot, ensure that the firearm is in a safe condition.
- Position yourself comfortably with a firm grip on the firearm.
- Engage the KickLite system by allowing the buttstock to move rearward upon firing, which will help absorb recoil.
- After each shot, assess your stance and grip to maintain control of the firearm.

Disposal Instructions

- Dispose of the buttstock in accordance with local regulations for waste disposal.
- If the buttstock is damaged or no longer usable, consider recycling components where possible.
- Do not dispose of the buttstock in regular household waste if it contains hazardous materials.

Contact Information for Further Support
