

# EXTREME DUTY GUN OIL - LUCAS OIL PRODUCTS 4 OZ. GUN OIL

[Gun Cleaning & Chemicals](#) > [Oils & Lubricants](#) > [Lubricant & Protectant Oils](#)

Used and recommended by major firearms manufacturers, Lucas Extreme Duty Gun Oil is specially formulated for high volume, high heat and friction firearms and was designed for full auto firearms, SBRs and suppressors as well as semi-auto rifles, shotguns and pistols. It offers superior burn-off, shock and heat resistance, unlike any other multi-purpose gun oil. A unique additive keeps the oil from running and migrating while the polymeric film protects from rust, wear and moisture and resists carbon, lead and copper fouling and dramatically reduces wear during all shooting conditions. Applying Lucas Extreme Duty Gun Oil to bores, bolt carriers and gas pistons makes clean-up of powder residue, copper and carbon fouling a much easier task. Apply a light coat to suppressor baffles, mounts, muzzle breaks and flash hiders to resist carbon build up and to make cleaning quicker and easier. It neutralizes acids from fingerprints and resists drying for long term storage use. Developed for demanding lubrication during hard use. Extreme working temperature range of -38°F to 400°F. Great for ultra-sonic cleaner use for small or bulk parts lubrication. Superior blow back resistance, keeping oil out of your face and off your glasses.

## Attributes

- Name: [LUCAS OIL PRODUCTS 4 OZ. GUN OIL](#)
- Manufacturer: [LUCAS OIL PRODUCTS](#)
- Product no.: 100016011
- Mfr. No.: 10877
- Size: 4 oz
- Delivery weight: 0.136kg
- Shipping height: 76mm
- Shipping width: 25mm
- Shipping length: 25mm
- UPC: 049807108779

# Safety Instruction Guide for EXTREME DUTY GUN OIL

## Introduction

Thank you for choosing Lucas Extreme Duty Gun Oil. This product is designed for highperformance lubrication of firearms. It is important to follow safety guidelines to ensure safe and effective use. This guide provides essential safety instructions and information to help you use this product responsibly.

## General Safety Guidelines

- Always read and understand the product label and safety information before use.
- Keep the product out of reach of children and vulnerable individuals.
- Store in a cool, dry place away from direct sunlight and heat sources.
- Avoid contact with skin and eyes. In case of contact, rinse thoroughly with water.
- Do not ingest. If swallowed, seek medical attention immediately.
- Use in wellventilated areas to avoid inhalation of vapors.
- Dispose of empty containers and any unused product according to local regulations.

## Specific Safety Precautions for Use

- **Flammability:** This product is flammable. Keep away from open flames, sparks, and heat sources.
- **Chemical Exposure:** Avoid prolonged exposure to skin. Use protective gloves if necessary.
- **Inhalation:** Use a mask if using in poorly ventilated areas to avoid inhaling vapors.
- **Environmental Protection:** Do not allow the product to enter drains or waterways. Follow local guidelines for disposal.

## Instructions for Installation and Usage

- **Application:**
  - Shake the bottle well before use.
  - Apply a light coat of Lucas Extreme Duty Gun Oil to the following areas:
    - Bores
    - Bolt carriers
    - Gas pistons
    - Suppressor baffles
    - Muzzle brakes
    - Flash hidere
  - Ensure even coverage to maximize protection against rust, wear, and fouling.
- **Cleaning:**
  - Use a clean cloth or patch to wipe off excess oil after application.
  - For cleaning up powder residue, copper, and carbon fouling, apply the oil liberally and allow it to penetrate for a few minutes before wiping clean.
- **Storage:**
  - Ensure the cap is tightly closed after each use.
  - Store the product upright to prevent leaks.

## **Disposal Instructions**

- Dispose of empty containers and any unused product according to local hazardous waste disposal regulations.
- Do not dispose of the product in regular household waste or down the drain.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of Lucas Extreme Duty Gun Oil, please refer to the product packaging for details on how to reach the manufacturer or visit the official website.

By following these safety instructions, you can ensure a safe and effective experience with Lucas Extreme Duty Gun Oil. Thank you for your attention to these important guidelines.
