MOE® Grip Panels for 1911 Full Size Safety Instruction Guide

Introduction

Thank you for choosing the MOE® Grip Panels for your 1911 Full Size firearm. This guide provides essential safety instructions and guidelines for the proper use, installation, and disposal of the product. Please read all instructions carefully to ensure safe and effective use.

General Safety Guidelines

- Ensure that the firearm is unloaded before installing or handling the grip panels.
- Always follow firearm safety rules, including treating every firearm as if it is loaded.
- Keep the grip panels out of reach of children and unauthorized users.
- Inspect the grip panels regularly for wear and damage. Replace if any defects are found.
- Do not modify the grip panels in any way, as this may compromise safety and performance.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always ensure that the firearm is pointed in a safe direction when handling.
- Use the grip panels only on compatible 1911 Full Size firearms with standard grip screw bushings.
- Be cautious of the aggressive texture, which may cause discomfort during extended use.
- Avoid using the grip panels in wet or slippery conditions to maintain control.
- If you experience any discomfort or difficulty in handling the firearm with the grip panels, discontinue use immediately and consult a professional.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather necessary tools, including a screwdriver for grip screws.

2. Installation:

- Remove the existing grip panels from the firearm by unscrewing the grip screws.
- Align the MOE® Grip Panels with the grip screw bushings on the firearm.
- Secure the grip panels in place by tightening the grip screws. Ensure they are snug but do not overtighten to avoid damaging the polymer material.

3. Usage:

- Hold the firearm with the installed grip panels, ensuring a firm grip.
- Maintain awareness of your surroundings and follow all firearm safety protocols during use.

4. PostUse Care:

- After use, clean the grip panels with a damp cloth to remove dirt and debris.
- Store the firearm in a safe and secure location.

Disposal Instructions

- Dispose of the MOE® Grip Panels in accordance with local regulations for plastic waste.
- Do not incinerate the grip panels, as they may release harmful fumes when burned.
- If the grip panels are damaged or no longer usable, consider recycling options if available in your area.

Contact Information for Further Support

For any safety inquiries or additional support, please refer to the manufacturer's website or contact their customer service for assistance.

By following these guidelines, you can help ensure your safety and the proper functioning of your MOE® Grip Panels for the 1911 Full Size firearm. Thank you for prioritizing safety and responsible firearm use.
