

MOE® GRIP PANELS W/TSP TEXTURE FOR 1911 FULL SIZE - MAGPUL 1911 MOE TSP GRIPS, GRAY

[Handgun Parts](#) > [Grip Parts](#) > [Grips](#)

Evolved from Magpul's original moe 1911 grip panels, the 1911 grip panels with tsp texture offers the user a more aggressive texture allowing for better control of the weapon in all environments. Constructed of heavy-duty reinforced polymer, the grips have a unique diamond-shaped cross section to prevent twisting in the hand, an aggressive magazine release cut-out, aggressive tsp texture (trapezoidal surface projections) for positive control, and are compatible with ambidextrous safeties. The grips are designed to fit full size framed 1911s with standard grip screw bushings. Made in the USA.

FEATURES Reinforced polymer construction Fits full size frame 1911s and copies with standard grip screw bushings Aggressive magazine release cut-out Compatible with ambidextrous safeties Unique TSP diamond-shaped cross-section to prevent twisting in the hand for positive control in all environments

SPECS Platform: 1911 Full Size Thickness, max: 0.25 in. Weight: 1.1 oz.

MOE® Grip Panels W/TSP Texture for 1911 Full Size Safety Instruction Guide

Introduction

Thank you for choosing the MOE® Grip Panels with TSP Texture for your 1911 fullsize firearm. This guide provides essential safety instructions and recommendations to ensure the safe and effective use of your product. Please read this document thoroughly before installation and use.

General Safety Guidelines

- Ensure safe use of the grip panels by following all instructions provided in this guide.
- Be aware of potential hazards associated with improper installation or use.
- Always handle your firearm in a safe and responsible manner.
- Keep the grip panels away from children and unauthorized users.
- Regularly inspect the grip panels for wear or damage and replace them as necessary.
- If you notice any defects or issues, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Always ensure that your firearm is unloaded before installing or adjusting the grip panels.
- Do not attempt to modify the grip panels or your firearm in ways not recommended by the manufacturer.
- Avoid using the grip panels in extreme conditions that may compromise their integrity.
- Be aware that the grip panels are designed for fullsize framed 1911s and may not be compatible with other models.
- Use caution when handling the firearm, especially when drawing from a holster or during rapid movements.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing grip panels by unscrewing the grip screws using an appropriate tool.
- Align the new MOE® Grip Panels with the grip screw bushings on the firearm.
- Secure the grip panels in place by tightening the grip screws evenly.
- Do not overtighten the screws, as this may damage the grip panels or the firearm.

2. Usage:

- Familiarize yourself with the grip texture and ensure it provides a comfortable and secure hold.
- Practice proper grip techniques to maximize control and safety while handling the firearm.
- Regularly clean the grip panels to maintain their texture and performance.

Disposal Instructions

- When disposing of the MOE® Grip Panels, follow local regulations for the disposal of polymer materials.
- Do not incinerate the grip panels, as this may release harmful substances.
- If the grip panels are damaged or no longer usable, consider recycling them where facilities are available.

Contact Information for Further Support

For any inquiries related to product safety, installation, or usage, please refer to the manufacturer's contact information provided in the product packaging. It is essential to have access to support for any questions or concerns regarding the MOE® Grip Panels.

By adhering to these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your MOE® Grip Panels for your 1911 fullsize firearm. Always prioritize safety and responsibility while handling firearms.
