

M-LOK VERTICAL GRIP - MAGPUL MVG VERTICAL GRIP M-LOK POLYMER BLACK

[Rifle Parts](#) > [Grip Parts](#) > [Vertical Grips](#)

The M-LOK MVG is a light weight vertical foregrip that attaches directly to M-LOK compatible hand guards and foreends. The M-LOK MVG is made from the same high quality polymer as other Magpul products, and uses the new Magpul TSP texture for positive control in all environments. With rounded contours and a shorter length, the M-LOK MVG has been optimized for use with the "thumb break method" of shooting and can also be used as a traditional vertical foregrip.

Attributes

- Name: [MAGPUL MVG VERTICAL GRIP M-LOK POLYMER BLACK](#)
- Manufacturer: [MAGPUL](#)
- Product no.: 100016130
- Mfr. No.: MAG597-BLK

MLOK Vertical Grip Safety Instructions

Introduction

Thank you for choosing the MLOK MVG Vertical Grip by Magpul. This guide provides essential safety instructions to ensure the safe use of this product. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that the MLOK MVG Vertical Grip is installed correctly to avoid accidents during use.
- Always inspect the grip for any damage or wear before each use. Do not use if damaged.
- Keep the grip and all associated equipment out of reach of children and vulnerable individuals.
- Use the grip only as intended. This product is designed for adult users and should not be used by children.
- Report any unsafe product experiences or accidents to the relevant authorities.
- Stay informed about recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always maintain a firm grip on the MVG while using it to ensure stability and control.
- Do not use the grip in wet or slippery conditions unless you are trained to do so safely.
- Avoid using the grip if you are fatigued or under the influence of substances that may impair your judgment or coordination.
- Be aware of your surroundings and ensure that you have a clear line of sight when using the grip.
- If you are unfamiliar with the "thumb break method" of shooting, seek guidance from a qualified instructor before use.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure you have an MLOK compatible handguard or forend.
2. **Locate the MLOK Slots:** Identify the MLOK slots on your handguard or forend where you wish to attach the grip.
3. **Align the Grip:** Position the MLOK MVG so that the mounting points align with the MLOK slots.
4. **Secure the Grip:** Use the included hardware to secure the grip into place. Ensure it is tightened adequately without overtightening, which may damage the grip or the handguard.
5. **Final Check:** After installation, check that the grip is firmly attached and does not move.

Usage

- Hold the grip securely with your dominant hand while using your other hand to operate the firearm.
- Use the grip to stabilize your aim and enhance control during shooting.
- Practice the "thumb break method" for improved handling and shooting efficiency.

Disposal Instructions

- Dispose of the MLOK MVG Vertical Grip in accordance with local regulations.
- If the grip is damaged beyond repair, consider recycling the polymer material where facilities exist.
- Ensure that any disposal methods do not pose a risk to the environment or public safety.

Contact Information for Further Support

For any inquiries regarding safety or product use, please refer to the manufacturer's website or customer

service resources. Ensure you have your product information available for the best assistance.

Thank you for taking the time to read this safety instruction guide. Your safety is our priority, and we hope you enjoy using the MLOK MVG Vertical Grip.
