

M-LOK BIPOD MOUNT - MAGPUL M-LOK BIPOD MOUNT BLACK

[Shooting Accessories](#) > [Bipods, Monopods & Accessories](#) > [Bipod Accessories](#)

The Magpul M-LOK Bipod Mount allows for the mounting of bipods using the Harris-style attachment pattern. The M-LOK Bipod Mount offers a low-profile, robust, and elegant mounting solution for the most popular bipods on the market. Utilizing the directconnect properties of the M-LOK system, the bipod sits closer to the mounting surface than traditional M1913 bipod mounts, while providing superior support to the bipod for strength and stability. The bipod mount is also compatible with other accessories that attach to traditional sling studs. Machined from mil-spec anodized aluminum, the M-LOK Bipod Mount features beveled ends and corners to reduce sharp edges and prevent snagging. All hardware necessary for attachment directly to M-LOK surfaces is included. Max overall length of 2.33" Made in U.S.A.

Magpul MLOK Bipod Mount Safety Instruction Guide

Introduction

Thank you for choosing the Magpul MLOK Bipod Mount. This guide provides essential safety instructions and usage guidelines to ensure your safety and the proper functioning of the product. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure the product is suitable for your specific bipod model before installation.
- Always inspect the bipod mount and accessories for any signs of damage or wear before use.
- Use the bipod mount only for its intended purpose as specified in this guide.
- Keep the bipod mount and all accessories out of reach of children and vulnerable individuals.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - The bipod mount may pose risks if not installed correctly, including instability and potential injury.
 - Sharp edges may exist on the product; handle with care to avoid cuts.
- **Avoiding Hazards:**
 - Ensure that the bipod mount is securely attached to the MLOK surface before use.
 - Do not exceed the maximum weight limit of the bipod and mount combination.
 - Regularly check the tightness of the mount and accessories during use.
- **Age Specific Warnings:**
 - This product is not intended for use by children under 18 years of age without adult supervision.

Instructions for Installation and Usage

- **Installation:**
 1. Gather all necessary tools and hardware included with the bipod mount.
 2. Select a suitable location on the MLOK surface for the bipod mount.
 3. Align the bipod mount with the MLOK slots and insert the mounting hardware.
 4. Tighten the hardware securely, ensuring there is no movement in the mount.
- **Usage:**
 1. Attach your bipod to the bipod mount using the Harrisstyle attachment pattern.
 2. Ensure the bipod is securely fastened before use.
 3. Adjust the bipod as needed for stability and comfort during use.

Disposal Instructions

- Dispose of the product and packaging materials in accordance with local regulations.
- Recycle materials whenever possible to minimize environmental impact.

Contact Information for Further Support

For any inquiries or further assistance regarding the Magpul MLOK Bipod Mount, please consult the product website or contact your local retailer.

Thank you for your attention to these safety guidelines. Enjoy your Magpul MLOK Bipod Mount responsibly!
