# Safety Instruction Guide for AR15/M16 Quick Detach Receiver End Plate

## Introduction

Thank you for choosing the AR15/M16 Quick Detach Receiver End Plate from Bravo Company. This product is designed to enhance the functionality of your firearm while ensuring safety and reliability. Please read this safety instruction guide carefully to understand how to use, install, and dispose of the product safely.

## General Safety Guidelines

- Ensure that your firearm is unloaded before installing or adjusting the receiver end plate.
- Always handle firearms with care and in accordance with local laws and regulations.
- Keep the product out of reach of children and unauthorized users.
- Inspect the product regularly for any signs of wear or damage.
- Use only compatible parts with your AR15/M16 to avoid malfunctions.
- Follow all manufacturer instructions and guidelines when using this product.
- Report any unsafe products or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- **Material Safety:** The receiver end plate is made from steel. Ensure you handle it with care to avoid cuts or injuries from sharp edges.
- **Installation Safety:** Use proper tools and techniques during installation to prevent accidents.
- **Staking Precautions:** When staking the end plate, ensure that you do not damage the receiver or other components of your firearm.
- **Weight Capacity:** The Quick Disconnect (QD) swivel is designed for specific weight limits. Do not exceed these limits to avoid failure during use.
- **Environmental Conditions:** Avoid using the product in extreme temperatures or conditions that could compromise its integrity.

## Instructions for Installation and Usage

### 1. Installation Steps:

- Ensure your firearm is unloaded and safe.
- Remove the existing receiver end plate if applicable.
- Align the new receiver end plate with the buffer tube.
- Securely attach the end plate, ensuring it sits flush against the receiver.
- Stake the end plate if necessary, following proper techniques to avoid damage.
- Test the QD swivel by attaching and detaching a compatible sling to ensure functionality.

### 2. Usage Instructions:

- Always verify that the QD swivel is securely attached before using the firearm.
- Regularly check the tightness of the receiver end plate and QD swivel during use.
- If you notice any unusual wear, damage, or looseness, stop using the product immediately and consult a qualified gunsmith.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for metal waste.
- Do not dispose of the product in regular household waste.

- If the product is damaged or no longer usable, ensure it is rendered unusable before disposal to prevent accidental use.
