# Safety Instruction Guide for AR15/M16 MILSPEC BUFFER TUBE

## Introduction

Thank you for choosing the AR15/M16 MILSPEC BUFFER TUBE by Bravo Company. This guide provides essential safety instructions to ensure the safe use and handling of this product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that this product is used only for its intended purpose as specified in the product description.
- Always handle firearms and related components with care and follow all applicable local laws and regulations.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the buffer tube for any signs of wear or damage before use.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Only use the buffer tube with compatible AR15/M16 firearms.
- Ensure that the buffer tube is properly secured before use to avoid any accidental detachment.
- Do not exceed the manufacturer's recommended specifications for the buffer tube.
- Avoid using the buffer tube in extreme conditions that may compromise its integrity.
- Wear appropriate safety gear when handling firearms, including eye and ear protection.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the firearm is unloaded and in a safe condition before beginning installation.
- Gather necessary tools for installation, such as a wrench and screwdriver.

### 2. Installation Steps:

- Remove the existing buffer tube from the firearm by unscrewing it counterclockwise.
- Align the BCM MilSpec Receiver Extension with the receiver of the firearm.
- Securely screw the buffer tube into place by turning it clockwise until it is firmly attached.
- Ensure that the buffer tube is locked in position and does not move.

### 3. Usage:

- After installation, verify that the buffer tube is functioning correctly by cycling the action of the firearm.
- Follow all standard operating procedures for the use of your firearm.

## Disposal Instructions

- Dispose of the buffer tube in accordance with local regulations regarding metal recycling and hazardous waste.
- Do not dispose of the buffer tube in regular household waste.

## **Contact Information for Further Support**

For safety inquiries or further assistance, please refer to the contact information provided on the product packaging or visit the manufacturer's website.

Thank you for your attention to these safety instructions. Your safety and the safety of others depend on the proper use and handling of this product.
