Introduction

Thank you for choosing the COLT FIBER OPTIC ADJUSTABLE SIGHT SET. This guide provides important safety information and instructions to ensure the proper use and maintenance of your sight set. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure the sight set is compatible with your firearm before installation.
- Always handle firearms with care and follow all safety protocols.
- Store the sight set in a secure location, away from children and unauthorized users.
- Regularly inspect the sight set for any signs of wear or damage.
- Report any unsafe products or incidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not modify the sight set in any way, as this may compromise safety and functionality.
- Use only the provided hex wrench and screwdriver for adjustments.
- Ensure that the firearm is unloaded before installing or adjusting the sight set.
- Avoid using the sight set in extreme weather conditions that may affect performance.
- Be aware of your surroundings when using the firearm equipped with the sight set.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather the necessary tools, including the hex wrench and screwdriver provided in the package.

2. Installation:

- Locate the dovetail on your firearm where the sight set will be mounted.
- Align the tapered dovetail of the sight set with the dovetail on your firearm.
- Gently slide the sight set into place, ensuring a snug fit.
- Use the hex wrench to tighten the screws securely, ensuring the sight set is locked in place.
- Adjust the sight for windage and elevation using the solid screwclick mechanism for precision.

3. Usage:

- Once installed, familiarize yourself with the sight set's features.
- Use the fiber optic sights for enhanced visibility in various lighting conditions.
- Make adjustments as necessary to ensure optimal accuracy.

Disposal Instructions

- Dispose of the sight set in accordance with local regulations for electronic and metal waste.
