Safety Instruction Guide for SIG Fiber Optic Adjustable Sight Sets

Introduction

Thank you for choosing the SIG Fiber Optic Adjustable Sight Sets by L.P.A. SIGHTS. This guide provides essential safety instructions to ensure the safe and effective use of your new sight set. Please read this guide carefully before installation and use.

General Safety Guidelines

To ensure your safety and the proper functioning of the sight set, please follow these general safety guidelines:

- Always handle your firearm and accessories with care and respect.
- Ensure the firearm is unloaded before installing or adjusting the sight set.
- Use the sight set only for the intended firearm models: P226, P220, P225, and P228.
- Keep the sight set out of reach of children and unauthorized users.
- Regularly inspect the sight set for any signs of wear or damage.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

When using the SIG Fiber Optic Adjustable Sight Sets, please observe the following precautions:

- Verify that the sight is securely installed before using the firearm.
- Avoid using the sight set in conditions that may impair visibility, such as fog, rain, or extreme darkness.
- Be aware of your surroundings and ensure a safe shooting environment.
- Use appropriate eye and ear protection while shooting.
- Do not modify the sight set or firearm in any way that could compromise safety.

Instructions for Installation and Usage

Follow these steps for the proper installation and use of your sight set:

Installation Steps

1. **Preparation:** Ensure your firearm is unloaded and pointed in a safe direction.
2. **Remove Existing Sights:** If applicable, carefully remove the existing sights using the appropriate tools.
3. **Align the Dovetail:** Position the tapered dovetail of the new sight into the existing gap. Ensure it is aligned correctly.
4. **Secure the Sight:** Use the included hex wrench to tighten the sight into place. Ensure it is firmly secured to prevent movement during use.
5. **Adjust for Windage and Elevation:** Use the included screwdriver to make precision adjustments for windage and elevation as needed. Each adjustment should be made carefully to maintain accuracy.

Usage Instructions

- When aiming, ensure the fiber optic sights are visible and properly aligned with your target.
- Make any necessary adjustments before shooting to ensure optimal performance.
- After use, clean the sight set gently to maintain its functionality and appearance.

Disposal Instructions

When disposing of your sight set, please follow these guidelines:

- Dispose of the sight set in accordance with local regulations regarding electronic and metal waste.
- Do not dispose of the sight set in household waste.
- If the sight set is damaged or no longer functional, consult local authorities for proper disposal methods.

Contact Information for Further Support

For further assistance or inquiries regarding the SIG Fiber Optic Adjustable Sight Sets, please refer to the product documentation or contact the manufacturer directly.

By following these safety instructions, you can ensure a safe and enjoyable experience with your SIG Fiber Optic Adjustable Sight Sets. Thank you for your attention to safety and responsible firearm use.
