# SIG Fiber Optic Adjustable Sight Sets Safety Instruction Guide

## Introduction

Thank you for choosing the SIG Fiber Optic Adjustable Sight Sets. This guide provides essential safety information, installation instructions, and usage guidelines to ensure a safe and effective experience with your new sight set.

## General Safety Guidelines

- Ensure that the sight set is compatible with your firearm model before installation.
- Always handle firearms with care and follow all safety protocols.
- Check local laws and regulations regarding the use of firearm accessories.
- Keep the sight set out of reach of children and unauthorized users.
- Inspect the sight set regularly for any signs of wear or damage.
- Report any unsafe products or incidents to the authorities.

## Specific Safety Precautions for Use

- Do not modify the sight set in any way, as this may affect its performance and safety.
- Use the provided hex wrench and screwdriver for adjustments only.
- Ensure that the sight is securely attached before using the firearm.
- Avoid using the sight set in extreme weather conditions that may affect visibility.
- Be aware of your surroundings and ensure a safe shooting environment.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather the necessary tools: hex wrench and screwdriver included in the package.

### 2. Installation:

- Remove the existing sight from your firearm using the appropriate tool.
- Align the tapered dovetail of the new sight with the gap on your firearm.
- Securely fasten the sight using the provided hex wrench, ensuring it is locked in place.

### 3. Adjustment:

- Use the screwdriver to make precision adjustments for windage and elevation.
- Check the alignment by aiming at a target and making necessary adjustments.

### 4. Usage:

- Familiarize yourself with the sight's features, including the red/green fiber optic options.
- Practice aiming with the new sight in a controlled environment before using it in the field.

## Disposal Instructions

- Dispose of the sight set according to local regulations for electronic waste and firearm accessories.
- Do not dispose of the sight set in regular household waste.

## **Contact Information for Further Support**

For any questions or concerns regarding the SIG Fiber Optic Adjustable Sight Sets, please reach out to the manufacturer or your point of purchase for assistance.

By following these guidelines, you can ensure a safe and enjoyable experience with your SIG Fiber Optic Adjustable Sight Sets. Thank you for your attention to safety.
