FIBER OPTIC ADJUSTABLE SIGHT SET FOR GLOCK® Safety Instruction Guide

Introduction

Thank you for choosing the FIBER OPTIC ADJUSTABLE SIGHT SET FOR GLOCK®. This guide provides essential safety instructions and information to ensure the proper use and installation of your sight set. Please read this manual carefully before using the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle firearms with care and follow standard safety practices.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the sight set for any signs of damage or wear.
- If you notice any defects or issues, discontinue use immediately.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not attempt to modify the sight set in any way.
- Ensure that all adjustments are made securely to prevent any movement during use.
- Use the included hex wrench and screwdriver for adjustments to avoid damage.
- Avoid using the sight set in extreme weather conditions that may affect performance.
- Always ensure that the firearm is unloaded before installing or adjusting the sight set.
- Be aware of your surroundings and ensure a safe shooting environment.

Instructions for Installation and Usage

Installation Steps

1. Preparation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather all necessary tools, including the hex wrench and screwdriver included in the package.

2. Remove Existing Sights:

- Carefully remove any existing sights from your Glock® using appropriate tools.

3. Install the New Sight Set:

- Align the tapered dovetail of the new sight set with the gap on your Glock®.
- Gently slide the sight into place, ensuring a snug fit.
- Use the hex wrench to tighten the screws securely, ensuring that the sight is locked in place.

4. Adjust for Windage and Elevation:

- Use the solid screwclick mechanism to make precise adjustments for windage and elevation.
- Make small adjustments and test the sight before finalizing.

5. Replace Fiber Insert:

- If necessary, replace the fiber optic insert according to the product specifications.

Usage Guidelines

- Always verify the sight alignment before shooting.
- Regularly check the sight for any loose components or misalignment.
- Clean the sight with a soft cloth to maintain visibility and performance.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the sight set in regular household waste.
- Contact local waste management services for proper disposal methods.

Contact Information for Further Support

For inquiries regarding safety or product information, please refer to the manufacturer's contact details provided with your product. Ensure that you have your product details available for reference.

By following these safety guidelines and instructions, you can ensure the safe and effective use of your FIBER OPTIC ADJUSTABLE SIGHT SET FOR GLOCK®. Thank you for prioritizing safety and compliance with EU regulations.
