# SIG SAUER Adjustable Sight Set Safety Instructions

## Introduction

Thank you for purchasing the SIG SAUER Adjustable Sight Set. This guide provides important safety information and instructions for the proper use and installation of your new sight set. Please read this guide carefully to ensure safe and effective operation.

## General Safety Guidelines

- Always ensure that your firearm is unloaded before installing or adjusting the sight set.
- Keep the sight set out of reach of children and unauthorized users.
- Use the sight set only for its intended purpose; improper use may result in injury or damage.
- Be aware of your surroundings when handling firearms. Always follow the basic rules of firearm safety.
- Regularly inspect the sight set for any signs of damage or wear. If you notice any issues, do not use the sight set until it has been repaired or replaced.
- Familiarize yourself with the operation of your firearm and the sight set before use.

## Specific Safety Precautions for Use

- Ensure that the firearm is pointed in a safe direction during installation and adjustment.
- Use the provided Allen wrench and adjustment screwdriver carefully to avoid injury.
- Do not force the sight set into place. If it does not fit properly, consult a professional gunsmith.
- Make adjustments to the sight set in small increments and test the firearm after each adjustment to ensure accuracy.
- If you experience any difficulty or uncertainty during installation or adjustment, seek assistance from a qualified professional.

## Instructions for Installation and Usage

### Installation Instructions

1. **Preparation:** Ensure your firearm is unloaded and pointed in a safe direction.
2. **Remove Existing Sights:** If applicable, carefully remove the existing sights from your firearm using the appropriate tools.
3. **Align the Dovetail:** Position the tapered dovetail of the new sight set into the existing groove of your firearm.
4. **Secure the Sight:** Use the Allen wrench to tighten the sight into place, ensuring it is firmly locked without excessive force.
5. **Adjust for Windage and Elevation:** Use the provided adjustment screwdriver to make micrometric adjustments for windage and elevation as needed.
6. **Test the Sight:** After installation, take your firearm to a safe shooting range to test the accuracy of the sight set.

### Usage Instructions

- Always check the sight alignment before each use.
- Make adjustments as necessary based on your shooting performance.
- Keep the sight clean and free from debris to ensure optimal performance.

## **Disposal Instructions**

When the sight set reaches the end of its life or if it becomes damaged beyond repair, dispose of it in accordance with local regulations. Do not throw it in regular household waste. Contact your local waste management authority for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the SIG SAUER Adjustable Sight Set, please consult your retailer or a qualified professional gunsmith. Ensure you have the product details available for efficient assistance.

## **Conclusion**

By following these safety instructions, you can ensure a safe and enjoyable experience with your SIG SAUER Adjustable Sight Set. Always prioritize safety and seek professional help if you have any questions or concerns. Thank you for choosing SIG SAUER.
