# SIG SAUER ADJUSTABLE SIGHT SET L.P.A. SIGHTS

## Introduction

Thank you for choosing the SIG SAUER Adjustable Sight Set L.P.A. Sights. This product is designed to enhance your shooting experience with precision and reliability. To ensure safe and effective use of this sight set, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Ensure that the sight set is installed by a qualified professional or someone with appropriate firearms knowledge.
- Always treat your firearm as if it is loaded, even if you believe it is not.
- Keep the firearm pointed in a safe direction at all times.
- Store your firearm and accessories in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the sight set for any signs of wear or damage before use.
- Use only compatible firearms as specified in the product information.

## Specific Safety Precautions for Use

- Do not modify the sight set in any way that could affect its performance or safety.
- Avoid using the sight set in adverse weather conditions that could impair visibility or functionality.
- Ensure that the sight set is properly adjusted before each use to avoid misalignment.
- Be aware of your surroundings and ensure a clear line of sight when aiming your firearm.
- If you notice any irregularities or malfunctions while using the sight set, cease use immediately and consult a professional.

## Instructions for Installation and Usage

### Installation

1. **Gather Required Tools:** Ensure you have the Allen wrench and adjustment screwdriver included in the package.
2. **Remove Existing Sights:** Carefully remove the existing sights from your firearm using the appropriate tools.
3. **Align the Tapered Dovetail:** Position the new sight set in the existing groove, ensuring the tapered dovetail locks securely in place.
4. **Secure the Sights:** Use the Allen wrench to tighten the screws, ensuring the sight set is firmly attached without overtightening, which could damage the firearm.
5. **Adjust for Windage and Elevation:** Use the adjustment screwdriver to make micrometric adjustments for windage and elevation as needed.

### Usage

- Always wear appropriate eye and ear protection when using your firearm.
- Before firing, doublecheck that the sight set is correctly aligned and adjusted.
- Practice regularly to become familiar with the sighting system and improve accuracy.

## Disposal Instructions

- Dispose of the sight set in accordance with local regulations regarding electronic and metal waste.
- If you are unsure about disposal methods, contact your local waste management authority for guidance.

## **Contact Information for Further Support**

For any safety inquiries or additional support regarding the SIG SAUER Adjustable Sight Set L.P.A. Sights, please refer to the contact information provided with your product. Always ensure that you have the latest safety updates and information.

Thank you for prioritizing safety and responsibility while using your SIG SAUER Adjustable Sight Set. Enjoy your enhanced shooting experience!
