

ADJUSTABLE SIGHT SET FOR BERETTA® - L.P.A. SIGHTS BERETTA 92/96 ADJUSTABLE SIGHT SET

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

Streamlined & Compact Plus Full Adjustability

Low profile, sights feature micrometric windage/elevation adjustments with hardened click screws and a tapered dovetail for a strong lock into the existing groove. Drop-in front and rear replacements fit factory dovetails; minor gunsmithing or fitting maybe required, especially for front sight. Offers the classic, instinctive three-dot sight picture, with a choice of white dots (WD) or fiber optic dots (FO). Unless otherwise noted below, FO sights come with 1 red and 1 green set of interchangeable inserts so you can choose the color or color combination that's best for your eyes. Novak 1911 sets have standard Novak .495" x 65° rear dovetail and .330" x 65° front dovetail. Novak also available with a plain black rear sight and a red front sight (PB/R). Carry> sights provide full windage/elevation adjustability and are designed specifically for concealed-carry pistols, with neatly beveled edges that won't snag on clothing or holster.

Adjustable Sight Set for Beretta® L.P.A. Sights

Safety Instructions

Introduction

Thank you for choosing the Adjustable Sight Set for Beretta® L.P.A. Sights. This product is designed to enhance your shooting experience by providing adjustable windage and elevation. It is important to read and understand these safety instructions to ensure safe and effective use of the product.

General Safety Guidelines

- Always treat firearms as if they are loaded.
- Ensure that the firearm is pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Use the sight set only on compatible models (Beretta 92/96).
- Follow all local laws and regulations regarding firearm modifications.
- Store the sight set and firearm securely, away from children and unauthorized users.
- Regularly inspect the sight set for any signs of wear or damage before use.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing or adjusting the sights.
- Use appropriate tools for installation to avoid damaging the sights or firearm.
- Be cautious of sharp edges on the sight set during installation and adjustment.
- If you are unsure about installation or adjustments, consult a qualified gunsmith.
- Avoid using the sight set in adverse weather conditions that may impair visibility.
- If using fiber optic dots, be aware that they may require cleaning to maintain visibility.

Instructions for Installation and Usage

1. Preparation

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, including a screwdriver and any specific tools recommended for your firearm model.

2. Installation

- Remove the existing sights from your Beretta 92/96 using the appropriate tools.
- Align the new sight set with the factory dovetails, ensuring a snug fit.
- Secure the sights in place by tightening the screws with the appropriate torque. Do not overtighten.
- Check for proper alignment of the sights before proceeding to use.

3. Usage

- Familiarize yourself with the micrometric windage and elevation adjustments.
- Make adjustments as needed based on your shooting preferences and conditions.
- Practice regularly to become accustomed to the sight picture provided by the threedot system.

Disposal Instructions

- Dispose of the sight set in accordance with local regulations.
- If the sight set is damaged or no longer usable, consider recycling materials where applicable.
- Do not dispose of the sight set in household waste.

Contact Information for Further Support

For any inquiries or support regarding the Adjustable Sight Set for Beretta® L.P.A. Sights, please refer to the manufacturer's contact details provided with the product packaging.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Adjustable Sight Set. Thank you for your attention to safety.
