

# COLT ADJUSTABLE REAR SIGHT - L.P.A. SIGHTS COLT GOV'T 1911-A1 ADJ REAR SIGHT

[Handgun Parts](#) > [Sights](#) > [Rear Sights](#)

The single adjustable rear sight which easily fits the most popular auto pistols without replacement of the factory front sight. By replacing the factory rear sight with a tpu, adjustable in windage and elevation with hardened click screws, you will convert your semi-auto into a modern firearm ready for target and practical shooting. Features: Works with the factory front sight. Fits the existing dovetail slot without milling work. Machined from solid steel using state-of-the-art cnc milling. Tapered dovetail for a better locking in the slide (install from left to right). Allen wrench and adjustment screw driver included in the package.

# COLT Adjustable Rear Sight Safety Instruction Guide

## Introduction

Thank you for choosing the COLT Adjustable Rear Sight. This product is designed to enhance your shooting experience by providing adjustable windage and elevation settings. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always handle firearms with care and follow all local laws and regulations regarding firearm use.
- Ensure that the firearm is unloaded before installing the rear sight or performing any maintenance.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the rear sight for any signs of damage or wear before use.
- If you notice any irregularities, discontinue use and seek professional assistance.

## Specific Safety Precautions for Use

- **Installation Safety:** Ensure that the firearm is pointed in a safe direction during installation.
- **Adjustment Safety:** Make adjustments to the sight only when the firearm is unloaded and pointed in a safe direction.
- **Shooting Safety:** Always wear appropriate eye and ear protection while shooting.
- **Target Safety:** Ensure a safe and appropriate shooting environment, including a proper backstop.

## Instructions for Installation and Usage

1. **Tools Required:** You will need an Allen wrench and an adjustment screwdriver, both included in the package.
2. **Installation Steps:**
  - Ensure the firearm is unloaded and pointed in a safe direction.
  - Remove the existing factory rear sight by loosening the screws.
  - Align the COLT Adjustable Rear Sight with the existing dovetail slot.
  - Install the sight from left to right, ensuring it fits snugly into the dovetail.
  - Tighten the screws securely to lock the sight in place.
3. **Adjustment Steps:**
  - To adjust windage, turn the appropriate screw clockwise to move the point of impact to the right, or counterclockwise to move it to the left.
  - To adjust elevation, turn the appropriate screw clockwise to raise the point of impact, or counterclockwise to lower it.
  - Make adjustments in small increments and test fire to ensure accuracy.
4. **PostInstallation Check:**
  - After installation, doublecheck that all screws are tightened and the sight is secure before use.
  - Perform a function check by aiming at a target and ensuring that adjustments produce the desired impact point.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations for metal products.
- Do not dispose of the product in regular household waste.
- If you are unsure about disposal methods, contact your local waste management authority for guidance.

## **Contact Information for Further Support**

For any safety inquiries or additional support regarding the COLT Adjustable Rear Sight, please consult your local dealer or the manufacturer's website. Ensure that you have the product model and purchase details available when seeking assistance.

By following these guidelines, you can ensure the safe and effective use of your COLT Adjustable Rear Sight. Always prioritize safety and responsible firearm handling practices. Thank you for your attention to these important safety instructions.
