

# COLT ADJUSTABLE REAR SIGHT - L.P.A. SIGHTS COLT 70,80,90 ADJ REAR SIGHT

[Handgun Parts](#) > [Sights](#) > [Rear Sights](#)

The single adjustable rear sight which easily fits the most popular auto pistols without replacement of the factory front sight. By replacing the factory rear sight with a tpu, adjustable in windage and elevation with hardened click screws, you will convert your semi-auto into a modern firearm ready for target and practical shooting. Features: Works with the factory front sight. Fits the existing dovetail slot without milling work. Machined from solid steel using state-of-the-art cnc milling. Tapered dovetail for a better locking in the slide (install from left to right). Allen wrench and adjustment screw driver included in the package.

# COLT ADJUSTABLE REAR SIGHT Safety Instruction Guide

## Introduction

Thank you for choosing the COLT Adjustable Rear Sight. This guide provides essential safety instructions and information to ensure the safe and effective use of your new product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or adjusting the rear sight.
- Use only compatible firearms as specified in the product description.
- Handle all firearms with care and follow all applicable laws and regulations regarding firearm safety.
- Keep the sight and tools out of reach of children and unauthorized users.
- Regularly check the sight for any signs of wear or damage. Replace it if any issues are detected.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Ensure that the rear sight is securely installed before using the firearm.
- Adjust the sight gradually, making small changes to windage and elevation to avoid overadjusting.
- Always test the sighting adjustments in a safe and controlled environment before using the firearm in a practical shooting scenario.
- Wear appropriate eye and ear protection when using the firearm.
- Be aware of your surroundings and ensure a safe shooting environment.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded.
- Gather necessary tools: the provided Allen wrench and adjustment screwdriver.

### 2. Installation:

- Remove the factory rear sight from the firearm by following the manufacturer's instructions.
- Align the COLT Adjustable Rear Sight with the existing dovetail slot.
- Install the sight from left to right, ensuring it is properly seated in the dovetail.
- Tighten the sight using the Allen wrench, ensuring it is secure but not overtightened to avoid damage.

### 3. Adjustment:

- Use the adjustment screwdriver to make changes to windage (left/right) and elevation (up/down).
- Make adjustments in small increments, testing the sight after each adjustment to ensure accuracy.

### 4. Usage:

- Once installed and adjusted, use the sight for target practice or practical shooting as needed.
- Regularly check the sight's stability and alignment during use.

## **Disposal Instructions**

- Dispose of the sight and any packaging materials in accordance with local regulations.
- Do not dispose of the sight in household waste. Instead, take it to a designated waste disposal facility that accepts metal products.

## **Contact Information for Further Support**

For any safety inquiries or further support regarding the COLT Adjustable Rear Sight, please refer to the product packaging or your retailer for contact information.

Thank you for choosing the COLT Adjustable Rear Sight. By following these safety guidelines, you can enjoy safe and effective use of your product.
