

BERETTA ADJUSTABLE REAR SIGHT - L.P.A. SIGHTS BERETTA 92/96 ADJ REAR SIGHT

[Handgun Parts](#) > [Sights](#) > [Rear Sights](#)

The single adjustable rear sight which easily fits the most popular auto pistols without replacement of the factory front sight. By replacing the factory rear sight with a tpu, adjustable in windage and elevation with hardened click screws, you will convert your semi-auto into a modern firearm ready for target and practical shooting. Features: • Works with the factory front sight. • Fits the existing dovetail slot without milling work. • Machined from solid steel using state-of-the-art cnc milling. • Tapered dovetail for a better locking in the slide (install from left to right). • Allen wrench and adjustment screw driver included in the package.

Safety Instruction Guide for BERETTA Adjustable Rear Sight

Introduction

Thank you for choosing the BERETTA Adjustable Rear Sight for your Beretta 92/96 series pistol. This guide provides essential safety instructions and information to ensure the safe use and installation of the product. Please read this document carefully before use.

General Safety Guidelines

- Ensure that the firearm is unloaded before installing or adjusting the sight.
- Always handle firearms with care and follow standard firearm safety practices.
- Store the adjustable rear sight and your firearm in a secure location away from children and unauthorized users.
- Be aware of your surroundings when using your firearm, and ensure that you have a safe backdrop for shooting.
- Regularly inspect the sight and firearm for any signs of wear or damage.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Only use the adjustable rear sight with compatible Beretta models (92 and 96).
- Do not attempt to modify the sight or firearm beyond the manufacturer's specifications.
- Ensure that the sight is properly secured before use to prevent it from becoming loose or detached.
- Use the provided Allen wrench and adjustment screwdriver for installation and adjustments to avoid damage.
- If you experience any issues with the sight, discontinue use and seek assistance.

Instructions for Installation and Usage

1. Prepare Your Firearm:

- Ensure the firearm is unloaded.
- Remove the factory rear sight from the dovetail slot.

2. Install the Adjustable Rear Sight:

- Align the tapered dovetail of the adjustable rear sight with the existing dovetail slot on the slide.
- Gently tap the sight into place from left to right using a soft mallet if necessary.
- Ensure the sight is firmly seated in the dovetail slot.

3. Adjust the Sight:

- Use the included Allen wrench to adjust windage and elevation.
- Turn the adjustment screws clockwise to raise or move the sight to the right, and counterclockwise to lower or move it to the left.
- Make adjustments gradually and test the sight at the range to ensure accuracy.

4. Final Check:

- After installation and adjustments, doublecheck that the sight is secure.
- Conduct a function check on the firearm to ensure everything operates smoothly.

Disposal Instructions

- Dispose of the packaging materials in accordance with local regulations.
- If the sight becomes damaged or is no longer needed, check with local waste management guidelines for proper disposal methods.
- Do not dispose of the sight in regular household waste if it contains any hazardous materials.

Contact Information for Further Support

For any questions or concerns regarding the BERETTA Adjustable Rear Sight, please refer to the manufacturer's contact information provided with your product packaging. It is essential to have access to support for any safety inquiries or product issues.

By following these guidelines, you can ensure a safe and effective experience with your BERETTA Adjustable Rear Sight. Always prioritize safety and responsible firearm handling.
