

# SIG SAUER ADJUSTABLE REAR SIGHT - L.P.A. SIGHTS SIG SAUER P SERIES ADJ REAR SIGHT

[Handgun Parts](#) > [Sights](#) > [Rear Sights](#)

The single adjustable rear sight which easily fits the most popular auto pistols without replacement of the factory front sight. By replacing the factory rear sight with a tpu, adjustable in windage and elevation with hardened click screws, you will convert your semi-auto into a modern firearm ready for target and practical shooting. Features: • Works with the factory front sight. • Fits the existing dovetail slot without milling work. • Machined from solid steel using state-of-the-art cnc milling. • Tapered dovetail for a better locking in the slide (install from left to right). • Allen wrench and adjustment screw driver included in the package. DOES NOT FIT SIG P250/320 SERIES PISTOLS

# Safety Instruction Guide for SIG SAUER Adjustable Rear Sight

## Introduction

Thank you for choosing the SIG SAUER Adjustable Rear Sight. This guide provides essential safety information and instructions to ensure the safe use and installation of your product. Please read this document carefully before use.

## General Safety Guidelines

- Always treat firearms as if they are loaded.
- Ensure that the firearm is pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Use appropriate eye and ear protection when shooting.
- Ensure you are familiar with your firearm's manual and safety features.
- Regularly inspect your sight and firearm for any signs of damage or wear.
- Store the firearm and sight in a secure location, out of reach of children and unauthorized users.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- This product is designed for use with compatible SIG SAUER P Series pistols. It is not compatible with the SIG P250/320 series pistols.
- Ensure that the sight is securely installed before using the firearm.
- Do not attempt to modify or alter the sight or firearm in any way that could compromise safety.
- If you experience any difficulties with installation or usage, seek assistance from a qualified gunsmith.

## Instructions for Installation and Usage

### Installation

#### 1. Remove the Factory Rear Sight:

- Use a sight pusher or appropriate tool to carefully remove the factory rear sight from the dovetail slot.

#### 2. Prepare the Adjustable Rear Sight:

- Ensure the new adjustable rear sight is free from debris and damage.

#### 3. Install the Adjustable Rear Sight:

- Align the tapered dovetail of the new sight with the dovetail slot on the slide.
- Gently tap the sight into place from left to right using a nonmarring tool. Ensure it is securely seated.

#### 4. Adjust the Sight:

- Use the included Allen wrench and adjustment screwdriver to make necessary adjustments for windage and elevation.

#### 5. Check Alignment:

- Once installed, check the alignment of the sight with the factory front sight. Make adjustments as needed.

## Usage

- Familiarize yourself with the adjustable features of the sight before using it in practice or competition.
- Regularly check the sight's adjustments to ensure they remain secure during use.
- Practice shooting with the new sight to become accustomed to any changes in aim and accuracy.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the sight in regular household waste.
- Consider recycling options if available in your area.

## Contact Information for Further Support

For any questions or concerns regarding the SIG SAUER Adjustable Rear Sight, please contact your local SIG SAUER representative or authorized dealer for assistance.
