

# ADJUSTABLE REAR SIGHT FOR GLOCK® - L.P.A. SIGHTS

## ADJUSTABLE WHITE DOT REAR SIGHT

[Handgun Parts](#) > [Sights](#) > [Rear Sights](#)

The single adjustable rear sight which easily fits the most popular auto pistols without replacement of the factory front sight. By replacing the factory rear sight with a tpu, adjustable in windage and elevation with hardened click screws, you will convert your semi-auto into a modern firearm ready for target and practical shooting. Features: Works with the factory front sight. Fits the existing dovetail slot without milling work. Machined from solid steel using state-of-the-art cnc milling. Tapered dovetail for a better locking in the slide (install from left to right). Allen wrench and adjustment screw driver included in the package.

# **Safety Instruction Guide for ADJUSTABLE REAR SIGHT FOR GLOCK® L.P.A. SIGHTS ADJUSTABLE WHITE DOT REAR SIGHT**

## **Introduction**

Thank you for choosing the Adjustable Rear Sight for Glock® by L.P.A. Sights. This guide provides essential safety information, installation instructions, and usage guidelines to ensure your product is used safely and effectively.

## **General Safety Guidelines**

- Ensure that this product is installed by a qualified gunsmith or experienced individual to prevent any misuse or accidents.
- Always handle firearms with care and follow all safety protocols associated with firearm use.
- Check for any visible damage or defects on the rear sight before installation. If any damage is present, do not use the product.
- This product is intended for use with Glock® models 17 and 35 only. Using it with other models may pose safety risks.
- Do not attempt to modify or alter the rear sight in any way, as this may compromise its safety and functionality.
- Keep this product out of reach of children and unauthorized users.

## **Specific Safety Precautions for Use**

- Always ensure that your firearm is unloaded before attempting to install or adjust the rear sight.
- Use proper eye protection when working with firearms and during shooting activities.
- Familiarize yourself with the operation of your firearm and how the adjustable rear sight functions before use.
- Do not use the adjustable rear sight under adverse weather conditions that may affect visibility or performance.
- Be aware of your surroundings and ensure a safe shooting environment at all times.

## **Instructions for Installation and Usage**

### **1. Preparation:**

- Ensure the firearm is unloaded and in a safe condition before beginning installation.
- Gather necessary tools: an Allen wrench and adjustment screwdriver (included in the package).

### **2. Installation:**

- Remove the factory rear sight from the firearm using appropriate tools.
- Align the adjustable rear sight with the existing dovetail slot on the slide.
- Install the adjustable rear sight from left to right to ensure a secure fit.
- Tighten the screws using the Allen wrench provided. Ensure they are secure but do not overtighten, as this may damage the sight or firearm.

### **3. Adjustment:**

- To adjust windage (horizontal alignment), use the hardened click screws on the side of the rear sight.

- To adjust elevation (vertical alignment), use the hardened click screws located at the top of the rear sight.
- Make small adjustments and test the sighting at a safe shooting range to ensure accuracy.

#### **4. Usage:**

- Regularly check the tightness of the sight screws, especially after extensive use.
- Clean the sight regularly to maintain visibility and functionality.
- Always ensure that the factory front sight is compatible and properly aligned with the rear sight for optimal performance.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding metal and firearm accessories.
- Do not throw the product in regular household waste.
- Consider recycling options if available in your area.

## **Contact Information for Further Support**

For any questions or concerns regarding the Adjustable Rear Sight for Glock®, please refer to the manufacturer's contact information provided with your product packaging.

By following these guidelines, you can ensure safe and effective use of your Adjustable Rear Sight for Glock®. Always prioritize safety and compliance with applicable laws when handling firearms. Thank you for your attention to these important safety instructions.
