

# **CZ ADJUSTABLE REAR SIGHT - L.P.A. SIGHTS CZ 75 ( BRNO OLD MODEL) ADJ REAR SIGHT**

[Handgun Parts](#) > [Sights](#) > [Rear Sights](#)

The single adjustable rear sight which easily fits the most popular auto pistols without replacement of the factory front sight. By replacing the factory rear sight with a tpu, adjustable in windage and elevation with hardened click screws, you will convert your semi-auto into a modern firearm ready for target and practical shooting. Features:

- Works with the factory front sight.
- Fits the existing dovetail slot without milling work.
- Machined from solid steel using state-of-the-art cnc milling.
- Tapered dovetail for a better locking in the slide (install from left to right).
- Allen wrench and adjustment screw driver included in the package.

# CZ Adjustable Rear Sight Safety Instruction Guide

## Introduction

Thank you for choosing the CZ Adjustable Rear Sight by L.P.A. SIGHTS. This guide provides essential safety instructions to ensure the safe and effective use of your new sight. Please read this document carefully before installation and use.

## General Safety Guidelines

- Always ensure that your firearm is unloaded before attempting to install or adjust the rear sight.
- Use the sight only with compatible firearms as specified in the product description.
- Keep the sight and all firearms out of reach of children and unauthorized users.
- Regularly inspect the sight for wear or damage. Do not use if any parts are compromised.
- Follow all local laws and regulations regarding the use of firearm accessories.

## Specific Safety Precautions for Use

- Ensure that the firearm is pointed in a safe direction when handling.
- Avoid making adjustments to the sight while the firearm is loaded.
- Use the provided Allen wrench and adjustment screwdriver to make necessary changes; do not use makeshift tools.
- Be aware of your surroundings when using the firearm with the new sight. Always prioritize safety during target and practical shooting activities.
- If you experience any malfunctions or issues with the sight, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation

- Gather the necessary tools: the included Allen wrench and adjustment screwdriver.
- Ensure that your firearm is unloaded and pointed in a safe direction.

### 2. Installation

- Remove the factory rear sight from the dovetail slot of your firearm.
- Clean the dovetail slot to ensure proper fit.
- Align the tapered dovetail of the adjustable rear sight with the dovetail slot on the slide.
- Install the sight from left to right, ensuring a snug fit.
- Use the Allen wrench to tighten the sight securely. Avoid overtightening, which could damage the sight or firearm.

### 3. Adjustment

- Use the adjustment screws on the rear sight to modify windage and elevation.
- Turn the screws clockwise to raise or move the sight right and counterclockwise to lower or move the sight left.
- Make small adjustments and test the sighting with your firearm at a safe shooting range.

### 4. Usage

- Familiarize yourself with the sight before engaging in target or practical shooting.
- Always wear appropriate eye and ear protection while shooting.

- Regularly practice with the sight to ensure proficiency and comfort.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the sight is damaged beyond repair, dispose of it in a manner consistent with local laws regarding firearm accessories.
- Do not discard the sight in regular household trash if it is still functional; consider donating or recycling.

## Contact Information for Further Support

For any safety inquiries or additional support regarding your CZ Adjustable Rear Sight, please refer to the product packaging or visit the manufacturer's website for contact details.

By following these safety guidelines and instructions, you will ensure a safe and enjoyable experience with your CZ Adjustable Rear Sight. Always prioritize safety and responsible firearm handling.
