

# CZ ADJUSTABLE REAR SIGHT - L.P.A. SIGHTS CZ 75, 85 (NEW MODEL) ADJ REAR SIGHT

[Handgun Parts](#) > [Sights](#) > [Rear Sights](#)

The single adjustable rear sight which easily fits the most popular auto pistols without replacement of the factory front sight. By replacing the factory rear sight with a tpu, adjustable in windage and elevation with hardened click screws, you will convert your semi-auto into a modern firearm ready for target and practical shooting. Features: • Works with the factory front sight. • Fits the existing dovetail slot without milling work. • Machined from solid steel using state-of-the-art cnc milling. • Tapered dovetail for a better locking in the slide (install from left to right). • Allen wrench and adjustment screw driver included in the package.

# CZ Adjustable Rear Sight Safety Instruction Guide

## Introduction

Thank you for choosing the CZ Adjustable Rear Sight L.P.A. Sights for your CZ 75 or 85 model. This guide provides essential safety information to ensure the proper and safe use of your new sight. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure the product is suitable for your firearm model.
- Always handle firearms with care and follow safe handling practices.
- Use the sight only for its intended purpose.
- Keep the sight and all firearm accessories out of reach of children.
- Regularly inspect the sight for wear or damage.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recalls and safety updates via the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Always ensure your firearm is unloaded before installing or adjusting the sight.
- Avoid adjustments while the firearm is loaded.
- Use the provided Allen wrench and adjustment screwdriver correctly to prevent damage.
- Do not force the sight into the dovetail slot; it should fit smoothly.
- Ensure the sight is securely locked in place before use.
- If you experience any issues with the sight, cease use immediately and consult a professional.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure your firearm is unloaded.
- Gather the necessary tools: the included Allen wrench and adjustment screwdriver.

### 2. Installation

- Remove the factory rear sight from the dovetail slot of your firearm.
- Align the CZ Adjustable Rear Sight with the dovetail slot.
- Install the sight from left to right, ensuring a snug fit.
- Tighten the sight using the Allen wrench, ensuring it is secure but not overtightened.

### 3. Adjustment

- Use the adjustment screwdriver to modify windage and elevation as needed.
- Make small adjustments and test the sight at the range before making further changes.

### 4. Usage

- Always confirm that the sight is functioning correctly before each use.
- Regularly check the sight for any looseness or misalignment during use.

## Disposal Instructions

- Dispose of the sight and any packaging materials in accordance with local regulations.

- Do not dispose of the sight in regular household waste if it is damaged or no longer usable; consult local recycling or waste disposal guidelines.

## **Contact Information for Further Support**

For questions regarding the CZ Adjustable Rear Sight, please consult the manufacturer's website or contact their customer service. Ensure you have your product details available for reference.

Thank you for your attention to these safety instructions. Enjoy your shooting experience with the CZ Adjustable Rear Sight!
