

TAURUS ADJUSTABLE REAR SIGHT - L.P.A. SIGHTS TAURUS PT92, 58, 100 ADJ REAR SIGHT

[Handgun Parts](#) > [Sights](#) > [Rear Sights](#)

The single adjustable rear sight which easily fits the most popular auto pistols without replacement of the factory front sight. By replacing the factory rear sight with a tpu, adjustable in windage and elevation with hardened click screws, you will convert your semi-auto into a modern firearm ready for target and practical shooting. Features: • Works with the factory front sight. • Fits the existing dovetail slot without milling work. • Machined from solid steel using state-of-the-art cnc milling. • Tapered dovetail for a better locking in the slide (install from left to right).

TAURUS ADJUSTABLE REAR SIGHT Safety Instruction Guide

Introduction

Thank you for choosing the TAURUS ADJUSTABLE REAR SIGHT. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that the product is installed correctly to avoid any potential hazards.
- Regularly inspect the rear sight for any signs of wear or damage.
- Always follow the manufacturer's instructions and guidelines for safe use.
- Store the product in a safe and dry place, away from children and vulnerable individuals.
- Be aware of your surroundings when using firearms equipped with this sight.

Specific Safety Precautions for Use

- Always treat firearms as if they are loaded, even when not in use.
- Do not point the firearm at anything you do not intend to shoot.
- Wear appropriate eye and ear protection when using firearms.
- Ensure that the firearm is pointed in a safe direction when adjusting the sight.
- Do not attempt to modify or alter the sight beyond the manufacturer's specifications.

Instructions for Installation and Usage

1. Installation

- Ensure the firearm is unloaded before beginning installation.
- Remove the factory rear sight from the dovetail slot.
- Align the tapered dovetail of the adjustable rear sight with the dovetail slot on the slide.
- Install the sight from left to right, applying gentle pressure to secure it in place.
- Tighten the hardened click screws to secure the sight, ensuring it is stable and does not move.

2. Usage

- Once installed, adjust the sight using the windage and elevation features to suit your shooting needs.
- Make adjustments slowly and test the accuracy by firing at a target.
- Regularly check the sight's stability and make any necessary adjustments before each use.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, check for designated disposal sites or recycling programs in your area.

Contact Information for Further Support

For any safety inquiries or concerns regarding the TAURUS ADJUSTABLE REAR SIGHT, please refer to the official website or contact your local dealer.

This safety instruction guide is designed to help you use the TAURUS ADJUSTABLE REAR SIGHT safely and effectively. By following these guidelines, you can ensure a safer shooting experience. Thank you for your attention to safety.
