S&W REVOLVER ADJUSTABLE REAR SIGHT

Safety Instruction Guide

Introduction

Thank you for choosing the S&W Revolver Adjustable Rear Sight by L.P.A. Sights. This guide provides important safety instructions and information to ensure the safe use and installation of your new rear sight. Please read this guide carefully before use.

General Safety Guidelines

To ensure your safety and the safety of others, please follow these general safety guidelines:

- Ensure that the product is used only with compatible Smith & Wesson K, L, N, and Xframe revolvers that were factory drilled and tapped for a scope base.
- Always handle firearms with care and in accordance with local laws and regulations.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the rear sight for any signs of wear or damage before use.
- If you notice any defects or if the sight does not function as intended, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

When using the S&W Revolver Adjustable Rear Sight, please observe the following precautions:

- Always ensure that the firearm is unloaded before installing or adjusting the rear sight.
- Avoid making adjustments to the sight while the firearm is loaded or in a potentially dangerous situation.
- Use the included Allen wrench and adjustment screwdriver as instructed to avoid damaging the screws or the sight.
- Be cautious of the sight's adjustment screws, as improper handling may lead to injury or malfunction.
- Do not attempt to modify or alter the rear sight beyond its intended use.

Instructions for Installation and Usage

Follow these steps to install and use your S&W Revolver Adjustable Rear Sight:

1. Preparation:

- Ensure the revolver is unloaded.
- Gather the necessary tools: the included Allen wrench and adjustment screwdriver.

2. Installation:

- Locate the factory drilled and tapped holes on your revolver.
- Align the rear sight with the existing slot.
- Securely attach the sight using the provided screws. Ensure that the sight is firmly in place but do not overtighten.

3. Adjustment:

- Use the Allen wrench to adjust the windage and elevation settings as needed.
- Each adjustment should produce a noticeable "click" to indicate proper engagement.
- Test the adjustments at a safe shooting range to ensure accuracy.

4. PostInstallation Check:

- After installation, doublecheck that all screws are secure.
- Inspect the sight for any signs of misalignment or instability.

Disposal Instructions

When it comes time to dispose of your S&W Revolver Adjustable Rear Sight, please follow these guidelines:

- Do not dispose of the product in regular household waste.
- Check with local waste management authorities for specific disposal instructions for firearm accessories.
- If the sight is damaged or no longer usable, consider recycling metal components where applicable.

Contact Information for Further Support

For any questions or concerns regarding the S&W Revolver Adjustable Rear Sight, please refer to the product packaging or the manufacturer's website for additional support and resources.

By adhering to these safety instructions, you can ensure a safe and enjoyable experience with your S&W Revolver Adjustable Rear Sight. Thank you for your attention to safety and for choosing our product.
