

AR-15 MOE K2+ GRIP - MAGPUL MOE K2+ GRIP POLYMER FOR AR15/M4 FDE

[Rifle Parts](#) > [Grip Parts](#) > [Pistol Grips](#)

The MOE-K2+ combines reinforced polymer body construction with comfortable, wrap around rubber over molding for maximum weapon control in adverse conditions. The steeper vertical grip angle is optimized for use on PDW (Personal Defense Weapon) configurations and improves comfort and control on short LOP rifles that bring the primary hand in closer to the shooter's body. The MOE K2+ accepts optional storage cores for gear stowage and includes a basic cap.

Attributes

- Name: [MAGPUL MOE K2+ GRIP POLYMER FOR AR15/M4 FDE](#)

Safety Instruction Guide for AR15 MOE K2+ Grip

Introduction

Thank you for choosing the AR15 MOE K2+ Grip by Magpul. This guide provides important safety information and instructions to ensure the safe use of your product. Please read this guide carefully before using the grip to maximize your safety and the performance of your firearm.

General Safety Guidelines

- Always handle firearms with care and ensure they are unloaded when installing or adjusting accessories.
- Familiarize yourself with your firearm's manual and safety features.
- Ensure that the grip is compatible with your AR15 or M4 platform before installation.
- Inspect the grip regularly for any signs of wear or damage.
- Keep the grip and firearm out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the grip only for its intended purpose: to enhance control and comfort while using your firearm.
- Avoid using the grip in extreme temperatures or environments that may compromise its integrity.
- Do not modify the grip in any way, as this may affect its performance and safety.
- Ensure that your hands are clean and dry before gripping the firearm.
- Do not use the grip if it shows signs of damage or if any components are missing.

Instructions for Installation and Usage

Installation Instructions

1. **Prepare Your Firearm:** Ensure your AR15 or M4 is unloaded and pointed in a safe direction.
2. **Remove the Old Grip:** If applicable, remove the existing grip by unscrewing it from the lower receiver.
3. **Align the MOE K2+ Grip:** Position the MOE K2+ Grip onto the lower receiver, ensuring it fits snugly against the mounting surface.
4. **Secure the Grip:** Use the provided screw to fasten the grip securely. Do not overtighten, as this may damage the grip or the receiver.
5. **Check for Stability:** Ensure the grip is firmly attached and does not wobble.

Usage Instructions

- Hold the grip with a firm yet comfortable grip to maintain control of the firearm.
- Adjust your shooting stance to optimize the use of the grip and enhance accuracy.
- Practice regularly to become accustomed to the grip's feel and functionality.

Disposal Instructions

- Dispose of the grip in accordance with local regulations for plastic materials.
- Do not incinerate or dispose of the grip in regular household waste if it is damaged or compromised.

Contact Information for Further Support

For any questions or concerns regarding the AR15 MOE K2+ Grip, please refer to the manufacturer's website or contact their customer support for assistance. Always ensure you have the latest information regarding product safety and updates.

Thank you for prioritizing safety and compliance while using your AR15 MOE K2+ Grip. Enjoy your enhanced shooting experience!
