

# AK-47 MOE AK+ GRIP - MAGPUL MOE AK+ GRIP POLYMER FOR AK47/74 BLACK

[Rifle Parts](#) > [Grip Parts](#) > [Pistol Grips](#)

A drop-in upgrade for AK-pattern pistol grips, the MOE AK+ is compatible with reinforced and unreinforced receivers. Designed to improve ergonomics and weapon control, the MOE borrows the rubber-overmolded surface of the popular MOE+ AR-15/M4 grip to ensure a positive and comfortable hold on the weapon. It is compatible with Magpul Grip Cores for storage customization.

# Safety Instruction Guide for AK47 MOE AK+ Grip

## Introduction

Thank you for choosing the AK47 MOE AK+ Grip by Magpul. This product is designed to enhance the ergonomics and control of your AKpattern firearm. This safety instruction guide provides essential information to ensure the safe use and installation of your new grip. Please read all instructions carefully before use.

## General Safety Guidelines

- Ensure the product is compatible with your specific AK model (AK47/74).
- Always follow local laws and regulations regarding firearm modifications and accessories.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the grip for any signs of wear or damage.
- Do not use the grip if it is damaged or shows signs of excessive wear.
- In case of any doubts regarding the product's safety, consult a qualified gunsmith.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing or handling the grip.
- Use only the recommended tools and methods for installation.
- Avoid using excessive force during installation to prevent damage to the grip or firearm.
- Be aware of the grip's rubberovermolded surface, which may affect the grip of the firearm in wet conditions.
- If you experience any discomfort while using the grip, discontinue use and consult a professional.

## Instructions for Installation and Usage

### Installation Instructions

1. **Unload the Firearm:** Ensure the firearm is completely unloaded and pointed in a safe direction.
2. **Remove the Existing Grip:** Unscrew and carefully remove the existing grip from the firearm.
3. **Prepare the MOE AK+ Grip:** Check the grip for any manufacturing defects or damage before installation.
4. **Install the New Grip:**
  - Align the grip with the receiver.
  - Securely attach the grip using the provided screws.
  - Ensure the grip is firmly in place without any wobbling.
5. **Check Functionality:** After installation, check the functionality of the firearm to ensure everything operates smoothly.

### Usage Instructions

- Hold the firearm firmly using the AK47 MOE AK+ Grip for better control.
- Utilize the grip's ergonomic design to improve aim and reduce fatigue during extended use.
- Customize storage options by using compatible Magpul Grip Cores.

## Disposal Instructions

- Dispose of the grip in accordance with local regulations regarding plastic waste.
- Do not incinerate the grip, as it may release harmful substances when burned.

## **Contact Information for Further Support**

For any inquiries regarding safety, installation, or product issues, please contact your local Magpul representative or consult a qualified gunsmith.

By following these guidelines, you can ensure the safe and effective use of your AK47 MOE AK+ Grip. Thank you for your attention to safety and responsible firearm handling.
