

MOSSBERG 590/590A1 MOE M-LOK FORENDS - MAGPUL

MOSSBERG 590/590A1 MOE M-LOK FOREND, BLACK

[Shotgun Parts](#) > [Stock & Forend Parts](#) > [Forends](#)

The MOE M-LOK Forend – Mossberg 590/590A1 is a drop in replacement forend for the Mossberg 590/590A1 12 gauge shotguns, featuring an extended length and front/rear hand stops for improved weapon manipulations. Featuring M-LOK slots, it is compatible with all M-LOK accessories. This forend adds modularity to the proven Mossberg platform for sporting use, home defense or duty and is part of the M-LOK product line from Magpul Industries. The MOE Forend for Mossberg is a simple, lightweight forend for the Mossberg 500/590/590A1 lines of 12 gauge shotguns with the 7-5/8" action tube assemblies - it will NOT fit the Mossberg 500 shotguns with 6-1/2" action tube assemblies or the Maverick and current production Mossberg 500 synthetics with pinned-in action tube assembly without replacing with the 7-5/8" assembly (631-000-023). It is designed to provide much needed adaptability with the attachments of optional M-LOK accessories and mounts.

Safety Instructions for MOSSBERG 590/590A1 MOE MLOK FORENDS

Introduction

Thank you for choosing the MOSSBERG 590/590A1 MOE MLOK Forend. This product is designed to enhance the functionality of your Mossberg shotgun while ensuring safety during use. Please read this safety instruction guide thoroughly before installation and usage to ensure a safe and enjoyable experience.

General Safety Guidelines

- Always handle firearms with care and ensure they are unloaded when installing or modifying parts.
- Keep the product and all accessories out of reach of children and unauthorized users.
- Regularly inspect the forend and its attachments for wear or damage.
- Follow all local laws and regulations regarding firearm modifications and usage.
- Be aware of your surroundings and ensure a safe environment when using your firearm.
- Report any unsafe products or incidents to local authorities.

Specific Safety Precautions for Use

- Ensure the forend is compatible with your Mossberg shotgun model (590/590A1) before installation.
- Do not attempt to modify the forend or use it with incompatible models (e.g., Mossberg 500 with 61/2" action tube assemblies).
- Always use the appropriate installation wrench provided with the forend to ensure secure attachment.
- Check that the forend is securely attached before using the shotgun.
- Avoid using the shotgun in wet or muddy conditions where the forend may become slippery.
- Be cautious of sharp edges during installation to prevent injury.

Instructions for Installation and Usage

1. Preparation

- Ensure your Mossberg 590/590A1 shotgun is unloaded and pointed in a safe direction.
- Gather the necessary tools, including the installation wrench provided with the forend.

2. Removing the Old Forend

- Using the installation wrench, carefully remove the existing forend from the shotgun.
- Set aside the old forend and any screws or components that may be needed for the new installation.

3. Installing the New MOE MLOK Forend

- Align the new MOE MLOK Forend with the action tube assembly of your shotgun.
- Securely attach the forend using the installation wrench, ensuring it is fastened tightly.
- Verify that the forend is properly installed and does not move when pulled or pushed.

4. Using the Forend

- Familiarize yourself with the extended length and hand stops for improved weapon manipulation.
- Attach any desired MLOK accessories to the slots available on the forend as needed.
- Practice handling the shotgun with the new forend to ensure comfort and control.

5. PostInstallation Check

- After installation, perform a function check to ensure the shotgun operates correctly with the new forend.
- Inspect the forend for any signs of damage or improper installation before use.

Disposal Instructions

- When disposing of the forend, follow local regulations regarding the disposal of polymer materials.
- Do not incinerate the product as it may release harmful substances.
- Consider recycling options where available to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the MOSSBERG 590/590A1 MOE MLOK Forend, please reach out to your local dealer or the manufacturer for assistance. Ensure you have your product details ready for a more efficient response.

Thank you for prioritizing safety and compliance with these guidelines. Enjoy your enhanced shooting experience with the MOSSBERG 590/590A1 MOE MLOK Forend!
