

M-LOK ANGLED FORE GRIP - MAGPUL AFG ANGLED FORE GRIP M-LOK FDE

[Rifle Parts](#) > [Grip Parts](#) > [Foregrips](#)

The Magpul M-LOK AFG (Angled Fore Grip) is the result of research and refinements done to the original AFG and AFG-2. By integrating the direct-attach M-LOK mounting system with minimalist construction we were able to produce a high strength grip that only weighs 1.2 ounces, including hardware. Allowing for a wider range of mounting location options, the M-LOK AFG is $\frac{3}{4}$ " shorter than the AFG-2 while maintaining a similar gripping surface area. Even though the M-LOK AFG is more compact than its predecessors it continues to take into account natural body mechanics to provide a comfortable and stable user interface that reduces fatigue and allows for more precise weapon control. By positioning the shooter's hand high on the centerline of the bore, unlike conventional vertical fore grips, the M-LOK AFG helps mitigate recoil and control the weapon to facilitate faster, more accurate follow-up shots. All hardware necessary for attachment directly to M-LOK Slots on either aluminum or polymer hand guards and forends is included.

Safety Instruction Guide for the Magpul MLOK AFG Angled Fore Grip

Introduction

Thank you for choosing the Magpul MLOK AFG (Angled Fore Grip). This guide provides essential safety instructions and usage guidelines to ensure your safety and the proper functioning of the product. Please read this manual thoroughly before using the fore grip.

General Safety Guidelines

- Ensure that all safety precautions are followed to prevent accidents and injuries.
- The product is designed for use with firearms and should only be used by individuals who are trained and familiar with firearm safety practices.
- Always treat every firearm as if it is loaded, and ensure the weapon is pointed in a safe direction.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the fore grip for signs of wear or damage. If damaged, discontinue use and replace it.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Only use the Magpul MLOK AFG with compatible firearms and mounting systems.
- Do not exceed the manufacturer's weight limit or load specifications.
- Be aware of your surroundings and ensure that you have a clear and safe area for shooting.
- Use proper eye and ear protection when handling firearms.
- Ensure that the fore grip is securely attached before using the firearm.
- Avoid using the fore grip in adverse weather conditions that may affect grip stability or safety.

Instructions for Installation and Usage

1. Installation:

- Ensure that the firearm is unloaded and pointed in a safe direction before installation.
- Identify the MLOK slots on your hand guard or forend.
- Align the Magpul MLOK AFG with the desired mounting location.
- Use the included hardware to secure the fore grip in place. Tighten the screws evenly to ensure a secure fit.
- Check the attachment by gently pulling on the fore grip to ensure it is firmly mounted.

2. Usage:

- When using the fore grip, position your hand high on the centerline of the bore to enhance control and reduce recoil.
- Maintain a firm grip on the fore grip while aiming and firing.
- Regularly practice safe firearm handling techniques to ensure proficiency and safety during use.

Disposal Instructions

- Dispose of the product in accordance with local regulations concerning plastic and polymer materials.
- Do not dispose of the product in regular household waste if there are specific recycling programs available in your area.
- Ensure that any attached hardware is disposed of properly to avoid environmental harm.
