

AR-15/M16 MOE M-LOK MID-LENGTH HANDGUARDS - MAGPUL MOE HANDGUARD M-LOK MID-LENGTH FOR AR-15 FDE

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

These Magpul MOE M-LOK Hand Guards are built for mid-length AR-15/M16 firearms. The MOE M-LOK Hand Guards are built with the same strong yet light weight polymer as the legacy MOE Hand Guards, but comes with the M-LOK slots at the two, six, and ten o'clock positions. The M-LOK system allows for the attachment of optional M-LOK rail sections and other M-LOK accessories such as light mounts, slings, foregrips, etc.

Safety Instruction Guide for AR15/M16 MOE MLOK MIDLENGTH HANDGUARDS

Introduction

Thank you for choosing the Magpul MOE MLOK Hand Guards for your AR15/M16 firearm. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this manual carefully before installation and use to ensure compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always ensure that your firearm is unloaded before installing or handling the handguards.
- Use only compatible accessories with the MLOK system to avoid potential hazards.
- Regularly inspect the handguards for any signs of wear or damage before each use.
- Keep the handguards and all accessories out of reach of children and unauthorized users.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure a proper fit: The handguards are designed for midlength AR15/M16 firearms. Verify compatibility before installation.
- Avoid excessive force: When attaching or detaching accessories, use only the necessary force to prevent damaging the handguards or accessories.
- Monitor temperature: The polymer material may become hot during use. Allow the handguards to cool before handling.
- Use protective gear: When firing your firearm, always wear appropriate protective gear, including eye and ear protection.
- Follow all local laws and regulations regarding the use and modification of firearms.

Instructions for Installation and Usage

1. Preparation:

- Ensure your firearm is completely unloaded.
- Gather all necessary tools for installation.

2. Installation Steps:

- Remove the existing handguards from your AR15/M16:
 - Press down on the delta ring and slide the handguards off.
- Align the Magpul MOE MLOK Hand Guards with the barrel nut.
- Slide the handguards into place until they click securely.
- Ensure that the handguards are properly seated and do not move.

3. Attaching Accessories:

- Identify the MLOK slots on the handguards.
- Select the appropriate MLOK accessory.
- Insert the accessory into the desired slot and tighten the screws until secure, but do not overtighten.

4. Usage:

- Regularly check the tightness of the accessories during use.
- Avoid using the firearm in conditions that may compromise the integrity of the handguards.

Disposal Instructions

- When disposing of the handguards, follow local regulations for the disposal of polymer materials.
- Do not burn the handguards, as this may release harmful chemicals.
- Consider recycling options if available in your area.

Contact Information for Further Support

For any questions or concerns regarding the Magpul MOE MLOK Hand Guards, please refer to the contact details provided by the retailer or manufacturer. They will be able to assist you with any safety inquiries or product support.

Thank you for your attention to these safety guidelines. Your safety and the safety of others is our priority. Enjoy your shooting experience responsibly!
